

## **State of Utah**

### **2023 Annual Action Plan**

#### **Pre-Draft Public Comment Period and Notice of Public Hearing**

The State of Utah Housing and Community Development Division (HCD) and State of Utah Office of Homeless Services (OHS) is holding a public comment period regarding the 2023 Annual Action Plan (AAP). The purpose of this public comment period is to help inform the initial draft of the 2023 AAP.

The AAP outlines the priorities and goals for the Housing and Urban Development funded programs administered by the State of Utah. These programs include the HOME Investment Partnership (HOME and HOME-ARP) Program, the Housing Trust Fund (HTF) Program, the Community Development Block Grant (CDBG) Program, the Emergency Solutions Grant (ESG) Program, and the Housing Opportunities for Persons with AIDS (HOPWA) Program. This plan covers the 2023 program year (PY23) that runs from July 1, 2023 to June 30, 2024. This plan is an update to the 5-year Consolidated Plan that was published in 2020 and ends in 2024.

In program year 2022 the State of Utah received nearly \$15 million in federal funding for these programs and an additional \$16 million was available from previous year's resources. As a required condition of receiving this funding, Utah also provided \$2.2 million in match funding for these programs.

An additional one-time allocation of \$12.9 million from the American Recovery Plan was also made available in 2022 as an extension of the existing HOME program, known as HOME-ARP.
