Mosquito Abatement
2215 No 2200 W
Salt Lake City Ut, 84116

Attn: Andrew Dewsnap

Subject: 240v Receptacles, breakers and car chargers.

Andrew:

We are pleased to provide you with the following electrical quotation, scope of work and terms for the referenced project. Our proposal covers furnishing and installation of all normally anticipated labor, material, and equipment to complete the work described in our walk and here in.

Our price is..... \$ 6,338.00

Our quotation includes the following:

1. Pull out existing wire from receptacle in the vestibule and pull in new wire and install a new 240v receptacle for -80 freezer.
2. Install new 2 pole breakers for -80 freezer circuits.
3. Install conduit and wire for new -80 freezer in the truck storage area.
4. Replace GFCI breaker with 20 amp single pole breakers in panel V1.
5. Provide and install a relay box with associated conduit and wire to control the car chargers.
6. We assume we can use the scissor lift on site.

If you have any questions, please call.

Regards,

Scott Reading
