CROSSROADS EXHIBITION TOUR OF UTAH 2023-2024

Crossroads: Change in Rural America

Wasatch County Library

Opening on **November 4, 2023** to its closing on **January 14, 2024**.

Museum on Main Street (MoMS) is a partnership program between the Smithsonian Institution Traveling Exhibition Service (SITES) and state humanities councils across the country to bring exhibitions and humanities programming to small communities around the nation. *Crossroads: Change in Rural America* is a traveling MoMS exhibition that draws on the history and culture of rural America to provoke fresh thinking and spark conversations about the future and sustainability of rural communities. *Crossroads* offers small towns a chance to look at their own paths over the past century – to highlight the changes that affected their fortunes and explore how they have adapted. Utah Humanities is touring *Crossroads* to eight Utah communities in 2023-2024 where exhibition hosts will connect their local stories to the broader narrative through local companion exhibits and public programming.
