

Garland Library Board Minutes

Wednesday January 11, 2023

Garland Public Library 86 West Factory Street Garland, Utah

Agenda

- **Welcome:**

Kami opened meeting at 7:01.

In attendance: Linda King, Donnie Howell, Breanna Parker, Alysse Monson, Merinda Brighton, Kami Kaufman, Marci Cox, Wanda Branson, Linda Bourne, Ben Stennick, Randi Shy

2. Garland City Business:

Donnie Howell passed around a copy of library blueprints showing where the ramps will be for both entrances to the library for the ADA accessibility project. This project will cover replacing the stairs and building ramps to make the library ADA compliant. The city is applying for a CBD grant of 300K which must be submitted by January 31, but the plan is to submit it the week of January 16th. The announcement of the grant will be in March or April.

3. Library Business:

Linda King said that binders are being prepared for all Library Board Members which will include procedures, standards and plans regarding the library. These can be reviewed at each meeting and updated as needed.

It was discussed that January is a good time to go to various businesses and get donations for the year. Kami volunteered to make a spreadsheet of businesses that are in the area and then the board members can split up the list. At the February Board meeting it will be addressed what has been done.

Linda would like to use some of the 5K CLEF grant to paint the walls, especially downstairs, and to get new curtains.

Merinda has volunteered to do morning story time in February-which includes a story, song and a craft. Alysse has also expressed interest in doing it either in March or April.

Linda reviewed the Circulation and Overdue policy with the Tremonton Library director and handed out a copy of some policy changes for our review. We will have a joint meeting with the Tremonton Library Board on January 25, 2023, at 7 PM at the Garland City offices to discuss those changes.

The All Read program is on hold for the time being.
Linda would like ideas on ways to beautify the library. Any suggestions are welcome. One idea was to have planters on the stairs.

4. Public Comments:

No members of the public were in attendance

5. Adjourn:

Kami adjourned the meeting at 8 PM
