What is your motivation for service on the committee?

I frequent Forebay often by foot, bike & ski.
I would like to be ~~able to~~ in the know and help maintain and protect the area as well as educate the general population on its uses and etiquette.

How does your background, training, and experience lend itself to service on the committee?

I've been using the area for almost 20 years and seen the changes in it and the growth potential of our whole city and recreational activities.

Please list any relevant areas of expertise, education, or training you possess that will be helpful for service.

I've been involved in many activities and planning committees for large groups of people over decades. I frequent a lot of other properties around the Utah Cnty, SL & Summit, Wasatch counties and see how they are handling similar trail areas.
