

# UTAH STATE BOARD OF EDUCATION

**Subject:**

ACTION: R277-927, Teacher and Student Success Act (TSSA) Program (Amendment)

**Agenda item type:**

Action Item

**Recommended Action:**

MOTION FOR THE BOARD: That the Board approves R277-927, Teacher and Student Success Act Program, Draft 1, on second and final reading.

**Background:**

Staff recommends amending R277-927 to remove the November 1 deadline for LEAs to submit student success frameworks and annual assurances for the Teacher and Student Success Act (TSSA) Program. This reflects current practice. With this change, whenever an LEA submits those required items, the LEA will receive its TSSA allocation.

In addition, staff recommends that TSSA distributions be based on prior year Weighted Pupil Units (WPU) rather than current year Budget Request WPU, in order for TSSA distribution amount to remain stable throughout the school year, to be based on actual student counts, rather than projected student counts, and to reflect all legislative changes made to programs that contain WPU.

Staff will present R277-927, Draft 1, for consideration and approval.
