1. Upon the terms and conditions and upon the basis of the representations set forth herein, the Purchaser hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Purchaser, the Bonds. Exhibit A, which is hereby incorporated by reference into this Bond Purchase Agreement (the “Purchase Agreement”), contains a brief description of the Bonds, the manner of their issuance, the purchase price to be paid for, and the expected date of delivery and payment.

2. You represent and covenant to the Purchaser that (a) you have as of the closing of the Bonds on the date hereof (the “Closing”), the power and authority to enter into and perform this Purchase Agreement and the Indenture; (b) to adopt the Resolution dated March 7, 2023 (the “Resolution”) that authorized the delivery and sale of the Bonds to the Purchaser pursuant to the terms and conditions set forth in this Purchase Agreement and the Indenture; (c) this Purchase Agreement, the Indenture and the Bonds do not and will not conflict with or create a breach or default under any existing law, regulation, order, or agreement to which the Issuer is subject; (d) no governmental approval or authorization other than the Resolution is required in connection with the sale of the Bonds to the Purchaser; (e) this Purchase Agreement, the Indenture and the Bonds are legal, valid, and binding obligations of the Issuer enforceable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency, or other similar laws generally affecting creditors’ rights; and (f) there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board, or body, pending or, to the knowledge

of the Issuer, threatened against or affecting the Issuer or affecting the corporate existence of the Issuer or the titles of its officers to their respective offices or seeking to prohibit, restrain, or enjoin the sale, issuance, or delivery of the Bonds or in any way contesting or affecting the transactions contemplated hereby or the validity or enforceability of the Bonds, the Resolution, the Indenture or this Purchase Agreement, or contesting the powers of the Issuer or any authority for the issuance, sale and delivery of the Bonds, the adoption of the Resolution, the execution and delivery of the Indenture and this Purchase Agreement or the Bonds or the Issuer's legal right, power and authority to collect, receive and pledge the Net Revenues (as such term is defined in the Indenture).

3. As conditions to the Purchaser's obligations hereunder:

(a) From June 30, 2022, to the date of Closing, there shall not have been any (i) material adverse change in the financial condition or general affairs of the Issuer; (ii) event, court decision, proposed law, or rule which may have the effect of changing the federal income tax incidents of the Issuer or the owner of the Bonds or the interest thereon or the transactions contemplated by this Purchase Agreement; or (iii) international or national crisis, suspension of stock exchange trading, or banking moratorium materially affecting, in the Purchaser's reasonable opinion, the market price of the Bonds.

(b) At the Closing, the Issuer will deliver or make available to the Purchaser:

(i) The Bonds, in definitive form and the Indenture duly executed;

(ii) A certificate from authorized officers of the Issuer, in form and substance acceptable to the Purchaser, to the effect that the representations and information of the Issuer contained in this Purchase Agreement are true and correct when made and as of the Closing;

(iii) The approving opinion of the Issuer's counsel, satisfactory to the Purchaser and Bond Counsel;

(iv) The approving opinion of Gilmore & Bell, P.C., Bond Counsel, in standard form dated the date of Closing, relating to the legality and validity of the Bonds and the excludability of interest on the Bonds from gross income of the holders thereof for federal income tax purposes; and

(v) Such additional certificates, instruments, and other documents as the Purchaser may deem necessary with respect to the issuance and sale of the Bonds, all in form and substance satisfactory to the Purchaser.

4. The Issuer will pay the cost of the fees and disbursements of counsel to the Issuer (if any), Bond Counsel and the Trustee.

5. This Purchase Agreement is intended to benefit only the parties hereto, and the Issuer's representations and warranties shall survive any investigation made by or for the Purchaser, delivery, and payment for the Bonds, and the termination of this Purchase Agreement.

6. The Purchaser hereby represents that it is acquiring the Bonds for its own account, and not with a view to, or for sale in connection with, any distribution of the Bonds or any part thereof. The Purchaser has not offered to sell, solicited offers to buy, or agreed to sell the Bonds or any part thereof, and has no present intention of reselling or otherwise disposing of the Bonds.

7. [The Bonds will not be (i) assigned a specific rating by any rating agency, (ii) registered with The Depository Trust Company or any other securities depository, (iii) issued pursuant to any type of official statement, private placement memorandum or other offering document, or (iv) assigned a CUSIP number by Standard & Poor's CUSIP Service.

Principal and premium, if any, shall be payable upon surrender of this Bond at the designated offices of _____, Corporate Trust Department, Salt Lake City, Utah (“Trustee” and “Paying Agent”) or its successors. Provided however, to the extent that a mandatory sinking fund redemption results in the reduction in aggregate principal amount of the Series 2023 Bonds Outstanding, a Registered Owner shall not be required to submit its Series 2023 Bond certificate to the Paying Agent for payment and shall instead make an appropriate notation on such Bond certificate indicating the date and amounts of such redemption in principal, except in the case of final maturity, in which case the certificate must be presented to the Paying Agent prior to payment. The Paying Agent’s records shall govern in the case of discrepancy with the noted schedule on the Series 2023 Bonds, absent manifest error. Interest on this Bond shall be payable by check or draft mailed to the Registered Owner hereof at his address as it appears on the registration books of the Paying Agent, who shall also act as the Registrar for the Issuer, or at such other address as is furnished to the Paying Agent in writing by such Registered Owner. Interest hereon shall be deemed to be paid by

This Bond is one of an issue of Bonds of the Issuer designated as the “Excise Tax Revenue Bonds, Series 2023” (the “Series 2023 Bonds”) in the aggregate principal amount of \$_____ of like tenor and effect, except as to date of maturity and interest rate, numbered R-1 and upwards, issued by the Issuer pursuant to a General Indenture of Trust and a First Supplemental Indenture of Trust each dated as of _____, 2023 (together, the “Indenture”) approved by a resolution of the Issuer adopted on March 7, 2023 (the “Bond Resolution”), for the purpose of (i) constructing certain road maintenance improvements and all related improvements (collectively, the “Series 2023 Project”), and (ii) paying certain issuance expenses, all in full conformity with the Constitution and laws of the State of Utah. Both principal of and interest on this Bond and the issue of which it is a part are payable solely from a special fund designated “Heber City, Utah Excise Tax Revenue Bond Fund” (the “Bond Fund”), into which fund, to the extent necessary to assure prompt payment of the principal of and interest on the issue of which this is one and on all series of bonds issued on a lien parity with this Bond shall be paid the Revenues (as defined in the Indenture) all as more fully described and provided in the Indenture.

As more fully provided in the Indenture, the Series 2023 Bonds shall be payable only from the Revenues and shall not constitute a general indebtedness or pledge of the full faith and credit of the Issuer, within the meaning of any State of Utah constitutional or statutory provision or limitation of indebtedness.

As provided in the Indenture, additional bonds, notes and other obligations of the Issuer may be issued and secured on an equal lien parity with the Series 2023 Bonds, from time to time in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as provided in the Indenture, and the aggregate principal amount of such bonds, notes and other obligations issued and to be issued under the Indenture is not limited.

Reference is hereby made to the Indenture, copies of which are on file with the Trustee, for the provisions, among others, with respect to the nature and extent of the rights, duties and obligations of the Issuer, the Trustee and the Registered Owners of the Series 2023 Bonds, the terms upon which the Series 2023 Bonds are issued and secured, and upon which the Indenture may be modified and amended, to all of which the Registered Owner of this Bond assents by the acceptance of this Bond.

Except as otherwise provided herein and unless the context indicates otherwise, words and phrases used herein shall have the same meanings as such words and phrases in the Indenture.

Interest on the Series 2023 Bonds authenticated prior to the first Interest Payment Date shall accrue from the Dated Date specified above. Interest on the Series 2023 Bonds authenticated on or subsequent to the first Interest Payment Date shall accrue from the Interest Payment Date next preceding their date of authentication, or if authenticated on an Interest Payment Date, as of that date; provided, however, that if interest on the Series 2023

Bonds shall be in default, interest on the Series 2023 Bonds issued in exchange for Series 2023 Bonds surrendered for transfer or exchange shall be payable from the date to which interest has been paid in full on the Series 2023 Bonds surrendered.

The Series 2023 Bonds are subject to optional and mandatory sinking fund redemption as provided in the Indenture.

The Series 2023 Bonds are issued as fully registered Bonds. Subject to the limitations and upon payment of the charges provided in the Indenture, registered Bonds may be exchanged for a like aggregate principal amount of registered Bonds of other authorized denominations of the same series and the same maturity.

This Bond is transferable by the registered holder hereof in person or by his attorney duly authorized in writing at the designated corporate offices of Zions Bancorporation, National Association (the "Registrar"), in Salt Lake City, Utah, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or Bonds of the same series and the same maturity and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Paying Agent may deem and treat the Registered Holder hereof as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

This Bond is issued under and pursuant to the Local Government Bonding Act, Title 11, Chapter 14, Utah Code Annotated 1953, as amended, and this Bond does not constitute a general obligation indebtedness of the Issuer within the meaning of any state of Utah constitutional or statutory limitation. The issuance of the Series 2023 Bonds shall not, directly, indirectly or contingently, obligate the Issuer or any agency, instrumentality or political subdivision thereof to levy any form of ad valorem taxation therefor or to make any appropriation for their payment.

The Issuer covenants and agrees that, within the limits provided by law, it will cause to be collected and accounted for sufficient Revenues as will at all times be sufficient to pay promptly the principal of and interest on this Bond and the issue of which it forms a part and to make all payments required to be made into the Bond Fund, and to carry out all the requirements of the Indenture.

IN ACCORDANCE WITH SECTION 11-14-307, UTAH CODE ANNOTATED 1953, AS AMENDED, THE STATE OF UTAH HEREBY PLEDGES AND AGREES WITH THE HOLDERS OF THE SERIES 2023 BONDS THAT IT WILL NOT ALTER, IMPAIR OR LIMIT THE TAXES INCLUDED IN THE REVENUES IN A MANNER THAT REDUCES THE AMOUNTS TO BE REBATED TO THE ISSUER WHICH ARE DEVOTED OR PLEDGED AS AUTHORIZED IN SECTION 11-14-307, UTAH CODE

ANNOTATED 1953, AS AMENDED, UNTIL THE SERIES 2023 BONDS, TOGETHER WITH APPLICABLE INTEREST THEREON, ARE FULLY MET AND DISCHARGED; PROVIDED, HOWEVER, THAT NOTHING SHALL PRECLUDE SUCH ALTERATION, IMPAIRMENT OR LIMITATION IF AND WHEN ADEQUATE PROVISION SHALL BE MADE BY LAW FOR PROTECTION OF THE HOLDERS OF THE SERIES 2023 BONDS.

provided, however, for purposes of Section 2.13 hereof,

(1) when calculating interest payable during such Bond Fund Year for any Series of Variable Rate Bonds or Repayment Obligations bearing interest at a variable rate which cannot be ascertained for any particular Bond Fund Year, it shall be assumed that such Series of Variable Rate Bonds or related Repayment Obligations will bear interest at such market rate of interest applicable to such Series of Variable Rate Bonds or related Repayment Obligations, as shall be established for this purpose in the opinion of the Issuer’s financial advisor, underwriter or similar agent (which market rate of interest may be based upon a recognized comparable market index, an average of interest rates for prior years or otherwise);

(2) when calculating interest payable during such Bond Fund Year for any Series of Variable Rate Bonds which are issued with a floating rate and with respect to which an Interest Rate Swap is in effect in which the Issuer has agreed to pay a fixed interest rate, such Series of Variable Rate Bonds shall be deemed to bear interest at the effective fixed annual rate thereon as a result of such Interest Rate Swap; provided that such effective fixed annual rate may be utilized only if such Interest Rate Swap does not

result in a reduction or withdrawal of any rating then in effect with respect to the Bonds and so long as such Interest Rate Swap is contracted to remain in full force and effect;

(3) when calculating interest payable during such Bond Fund Year for any Series of Bonds which are issued with a fixed interest rate and with respect to which an Interest Rate Swap is in effect in which the Issuer has agreed to pay a floating amount, Debt Service shall include the interest payable on such Series of Bonds, less fixed amounts to be received by the Issuer under such Interest Rate Swap plus the amount of the floating payments (using the market rate in a manner similar to that described in (1) above, unless another method of estimation is more appropriate, in the opinion of the Issuer's financial advisor, underwriter or similar agent with the approval of each Rating Agency, for such floating payments) to be made by the Issuer under the Interest Rate Swap; provided that the above described calculation of Debt Service may be utilized only if such Interest Rate Swap does not result in a reduction or withdrawal of any rating then in effect with respect to the Bonds and so long as such Interest Rate Swap is contracted to remain in full force and effect;

(4) when calculating interest payable during such Bond Fund Year with respect to any Commercial Paper Program, Debt Service shall include an amount equal to the sum of all principal and interest payments that would be payable during such Bond Fund Year assuming that the Authorized Amount of such Commercial Paper Program is amortized on a level debt service basis over a period of 30 years beginning on the date of calculation or, if later, the last day of the period during which obligations can be issued under such Commercial Paper Program, and bearing interest at such market rate of interest applicable to such Commercial Paper Program as shall be established for this purpose in the opinion of the Issuer's financial advisor, underwriter or similar agent (which market rate of interest may be based upon a recognized comparable market index, an average of interest rates for prior years or otherwise);

(5) when calculating interest payable on Bonds that are Paired Obligations, the interest rate on such Bonds shall be the resulting linked rate or effective fixed interest rate to be paid by the Issuer with respect to such Paired Obligations; and

(6) amortization of Balloon Bonds may be assumed on a level debt service basis over a twenty-year period at the interest rate based on the Revenue Bond Index as last published in *The Bond Buyer*, provided that the full amount of Balloon Bonds shall be included in the calculation if the calculation is made within twelve (12) months of the actual maturity of such Balloon Bonds and no credit facility exists;

and further provided, that there shall be excluded from Debt Service (a) interest on Bonds (including Cross-over Refunding Bonds or Cross-over Refunded Bonds) to the extent that Escrowed Interest or capitalized interest is available to pay such interest, (b) Principal on Cross-over Refunded Bonds to the extent that the proceeds of Cross-over Refunding Bonds are on deposit in an irrevocable escrow in satisfaction of the requirements of Section 11-27-3, Utah Code, as amended, and such proceeds or the earnings thereon are required to be applied to pay such Principal (subject to the possible use to pay the Principal of the Cross-over Refunding Bonds under certain circumstances) and such amounts so required to be

applied are sufficient to pay such Principal, (c) Repayment Obligations to the extent that payments on Pledged Bonds relating to such Repayment Obligations satisfy the Issuer's obligation to pay such Repayment Obligations, and (d) all interest on Bonds to the extent of Direct Payments attributable to Debt Service on Outstanding Bonds or Additional Bonds proposed to be issued.

“Debt Service Reserve Fund” means the Heber City, Utah Excise Tax Revenue Debt Service Reserve Fund created in Section 3.4 hereof to be held by the Trustee and administered pursuant to Section 5.5 hereof.

The Debt Service Reserve Requirement may be funded by proceeds from the sale of such Series of Bonds, by a Reserve Instrument as herein provided or, if provided in the related Supplemental Indenture, may be accumulated over time. Each account of the Debt Service Reserve Fund shall only be used with respect to the related Series of Bonds.

“Direct Obligations” means noncallable Government Obligations.

The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

The Issuer may provide for the appointment of such Remarketing Agents, indexing agents, tender agents or other agents as the Issuer may determine;

(h) The Issuer may include such provisions in a Supplemental Indenture authorizing the issuance of a Series of Bonds secured by a Security Instrument as the Issuer deems appropriate, including:

(i) So long as the Security Instrument is in full force and effect, and payment on the Security Instrument is not in default, (I) the Security Instrument Issuer shall be deemed to be the Owner of the Outstanding Bonds of such Series (a) when the approval, consent or action of the Bondowners for such Series of Bonds is required or may be exercised under the Indenture and (b) following an Event of Default and (II) the Indenture may not be amended in any manner which affects the rights of such Security Instrument Issuer without its prior written consent; and

(iii) In addition, such Supplemental Indenture may establish such provisions as are necessary to provide relevant information to the Security Instrument Issuer and to provide a mechanism for paying Principal Installments and interest on such Series of Bonds from the Security Instrument.

(i) The Issuer may provide for the execution of an Interest Rate Swap in connection with any Series of Bonds issued hereunder. The obligation of the Issuer to pay Swap Payments may be secured with (A) a lien on the Revenues on a parity with the lien thereon of Debt Service on the related Bonds (as more fully described in Section 5.2 herein) and may be net of Swap Receipts or (B) a subordinate lien on the Revenues and may be net of Swap Receipts. Such obligations may also be secured by other legally available moneys of the Issuer, all as established in the Supplemental Indenture for the related Series of Bonds. Termination Payments may only be payable from and secured by Revenues after payment of all amounts then due pursuant to the Indenture.

Section 2.5 Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate a new Bond of like date, Series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together in all cases with indemnity satisfactory to the Trustee and the Issuer. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the Trustee may pay the same without surrender thereof upon compliance with the foregoing. The Trustee may charge the Registered Owner of such Bond with its reasonable fees and expenses in connection therewith. Any Bond issued pursuant to this Section 2.5 shall be deemed part of the Series of Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.6 Registration of Bonds; Persons Treated as Owners. The Issuer shall cause the books for the registration and for the transfer of the Bonds to be kept by the Trustee which is hereby constituted and appointed the Registrar of the Issuer with respect to the Bonds, provided, however, that the Issuer may by Supplemental Indenture select a party other than the Trustee to act as Registrar with respect to the Series of Bonds issued under said Supplemental Indenture. Upon the occurrence of an Event of Default which would require any Security Instrument Issuer to make payment under a Security Instrument Agreement, the Registrar shall make such registration books available to the Security Instrument Issuer. Any Bond may, in accordance with its terms, be transferred only upon the registration books kept by the Registrar, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Registrar, duly executed. Bonds may be exchanged at the Principal Corporate Trust Office of the Trustee for a like aggregate Principal amount of Bonds of the same Series and the same maturity. The execution by the Issuer of any Bond of any authorized denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such Bond. Except as otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Issuer and the Trustee shall not be required to transfer or exchange any Bond (i) during the period from and including any Regular Record Date, to and including the next succeeding Interest Payment Date, (ii) during the period from and including the day fifteen days prior to any Special Record Date, to and including the date of the proposed payment pertaining thereto, (iii) during the period from and including the day fifteen days prior to the mailing of notice calling any Bonds for redemption, to and including the date of such mailing, or (iv) at any time following the mailing of notice calling such Bond for redemption.

Payment of or on account of either Principal of or interest on any Bond shall be made only to or upon order of the Registered Owner thereof or such person's legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Trustee shall require the payment by the Bondholder requesting exchange or transfer of Bonds of any tax or other governmental charge and by the Issuer of any service charge of the Trustee as Registrar which are required to be paid with respect to such exchange or transfer and such charges shall be paid before such new Bond shall be delivered.

Except as otherwise provided in a Supplemental Indenture, if fewer than all Bonds of a Series are to be redeemed, the particular maturities of such Bonds to be redeemed and the Principal amounts of such maturities to be redeemed shall be selected by the Issuer. If fewer than all of the Bonds of any one maturity of a Series shall be called for redemption, the particular units of Bonds, as determined in accordance with Section 2.9 herein, to be redeemed shall be selected by the Issuer by lot in such manner as the Issuer, in its discretion, may deem fair and appropriate.

Unless otherwise specified in the Supplemental Indenture authorizing the issuance of the applicable Series of Bonds, notice of such redemption (i) shall be filed with the Paying Agent designated for the Bonds being redeemed; and (ii) shall be mailed by first class mail, postage prepaid, to all Registered Owners of Bonds to be redeemed at their addresses as they appear on the registration books of the Registrar at least thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption. Such notice shall state the following information:

(i) the complete official name of the Bonds, including Series, to be redeemed, the identification numbers of Bonds and the CUSIP numbers, if any, of the Bonds being redeemed, provided that any such notice shall state that no representation is made as to the correctness of CUSIP numbers either as printed on such Bonds or as contained in the notice of redemption and that reliance may be placed only on the identification numbers contained in the notice or printed on such Bonds;

(ii) any other descriptive information needed to identify accurately the Bonds being redeemed, including, but not limited to, the original issue date of, and interest rate on, such Bonds;

(iii) in the case of partial redemption of any Bonds, the respective Principal amounts thereof to be redeemed;

(iv) the date of mailing of redemption notices and the redemption date;

(v) the redemption price;

(vi) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and

(vii) the place where such Bonds are to be surrendered for payment, designating the name and address of the redemption agent with the name of a contact person and telephone number.

(b) In addition to the foregoing, further notice of any redemption of Bonds hereunder shall be given by the Trustee, simultaneously with or shortly after the mailed notice to Registered Owners, by posting such notice to the MSRB's Electronic Municipal Market Access website or its successors. Failure to give all or any portion of such further notice shall not in any manner defeat the effectiveness of a call for redemption.

(c) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(d) If at the time of mailing of any notice of optional redemption there shall not be on deposit with the Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice shall state that such redemption shall be conditioned upon receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the Principal of and interest on such Bonds to be redeemed and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem such Bonds. In the event that such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, one time, in the same manner in which the notice of redemption was given, that such moneys were not so received. Trustee shall within a reasonable time thereafter give notice, one time, in the same manner in which the notice of redemption was given, that such moneys were not so received.

(e) shall within a reasonable time thereafter give notice, one time, in the same manner in which the notice of redemption was given, that such moneys were not so received.

(f) A second notice of redemption shall be given, not later than ninety (90) days subsequent to the redemption date, to Registered Owners of Bonds or portions thereof redeemed but who failed to deliver Bonds for redemption prior to the 60th day following such redemption date.

(g) Any notice mailed shall be conclusively presumed to have been duly given whether or not the owner of such Bonds receives the notice. Receipt of such notice shall not be a condition precedent to such redemption, and failure so to receive any such notice by any of such Registered Owners shall not affect the validity of the proceedings for the redemption of the Bonds.

(h) In case any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond in Principal amount equal to the unredeemed portion of such Bond will be issued.

Section 2.9 Partially Redeemed Fully Registered Bonds. Unless otherwise specified in the related Supplemental Indenture, in case any registered Bond shall be redeemed in part only, upon the presentation of such Bond for such partial redemption, the Issuer shall execute and the Trustee shall authenticate and shall deliver or cause to be delivered to or upon the written order of the Registered Owner thereof, at the expense of the Issuer, a Bond or Bonds of the same Series, interest rate and maturity, in aggregate Principal amount equal to the unredeemed portion of such registered Bond. Unless otherwise provided by Supplemental Indenture, a portion of any Bond of a denomination

of more than the minimum denomination of such Series specified herein or in the related Supplemental Indenture to be redeemed will be in the Principal amount of such minimum denomination or an integral multiple thereof and in selecting portions of such Bonds for redemption, the Trustee will treat each such Bond as representing that number of Bonds of such minimum denomination which is obtained by dividing the Principal amount of such Bonds by such minimum denomination.

Section 2.10 Cancellation. All Bonds which have been surrendered for payment, redemption or exchange, and Bonds purchased from any moneys held by the Trustee hereunder or surrendered to the Trustee by the Issuer, shall be canceled and cremated or otherwise destroyed by the Trustee and shall not be reissued; provided, however, that one or more new Bonds shall be issued for the unredeemed portion of any Bond without charge to the Registered Owner thereof.

Section 2.11 Nonpresentation of Bonds. Unless otherwise provided by Supplemental Indenture, in the event any Bond shall not be presented for payment when the Principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the Issuer to the Registered Owner thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability to the Registered Owner of such Bond for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part hereunder or on, or with respect to, said Bond. If any Bond shall not be presented for payment within four years following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall, to the extent permitted by law, repay to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Registered Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money. The provisions of this Section 2.11 are subject to the provisions of Title 67, Chapter 4a, Utah Code Annotated 1953, as amended.

Section 2.12 Initial Bonds. Subject to the provisions hereof, the Initial Bonds may be authenticated and delivered by the Trustee upon satisfaction of the conditions specified in Section 2.4(c) hereof and any additional conditions specified in the Supplemental Indenture authorizing such Series of Bonds.

Section 2.13 Issuance of Additional Bonds. Additional indebtedness, bonds or notes of the Issuer secured by a pledge of the Revenues may be issued in accordance with the terms hereof. No additional indebtedness, bonds or notes of the Issuer secured by a pledge of the Revenues senior to the pledge of Revenues for the payment of the herein authorized Bonds or Security Instrument Repayment Obligations shall be created or incurred without the prior written consent of the Owners of 100% of the Outstanding Bonds and the Security Instrument Issuers. In addition, no Additional Bonds or other indebtedness, bonds or notes of the Issuer payable out of Revenues on a parity with the

herein authorized Bonds or Security Instrument Repayment Obligations shall be created or incurred, unless the following requirements have been met:

(a) No Event of Default shall have occurred and be continuing hereunder on the date of authentication of any Additional Bonds; and

(b) A certificate shall be delivered to the Trustee by an Authorized Representative to the effect (i) such Series of Additional Bonds is being issued for the purpose of refunding Bonds issued hereunder and (ii) the maximum Aggregate Annual Debt Service for such Additional Bonds does not exceed the then remaining maximum Aggregate Annual Debt Service for the Bonds being refunded therewith; and

(c) All payments required by this Indenture to be made into the Bond Fund must have been made in full, and there must be on deposit in each account of the Debt Service Reserve Fund (taking into account any Reserve Instrument coverage) the full amount required to be accumulated therein at the time of issuance of the Additional Bonds; and

(d) The proceeds of the Additional Bonds must be used to refund Bonds issued hereunder (including the funding of necessary reserves and the payment of costs of issuance).

Section 2.14 Form of Bonds. The Bonds of each Series and the Trustee's Authentication Certificate shall be in substantially the forms thereof set forth in the Supplemental Indenture authorizing the issuance of such Bonds, with such omissions, insertions and variations as may be necessary, desirable, authorized and permitted hereby.

Section 2.15 Covenant Against Creating or Permitting Liens. Except for the pledge of Revenues to secure payment of the Bonds and Repayment Obligations hereunder, the Revenues are and shall be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto; provided, however, that nothing contained herein shall prevent the Issuer from issuing, if and to the extent permitted by law, indebtedness having a lien on Revenues subordinate to that of the Bonds and Repayment Obligations.

Section 2.16 Covenant to Consider Appropriation in Event of Shortfall. If in any Bond Fund Year the Road Funds are insufficient to pay the principal and interest payments then coming due on the Bonds, the Issuer agrees to consider to appropriate any of its legally available moneys to provide for the difference between the amount of Road Funds then available and the amount of the principal and interest payments then coming due on the Bonds (the "Shortfall"). Nothing in this Section 2.16 shall be construed to require the Issuer to appropriate any money toward the Shortfall. It is hereby expressed as the intention of the Issuer that the decision to renew or not to appropriate moneys toward the Shortfall is to be made solely by the City Council of the Issuer. It is hereby understood that any appropriation for a Shortfall made hereunder constitutes a current expense of the Issuer payable exclusively from legally available moneys of the Issuer appropriated therefor and shall not in any way be construed to be an obligation or indebtedness of the Issuer within

the meaning of Sections 3 or 4 of Article XIV of the Utah Constitution, or any other constitutional or statutory limitation or requirement applicable to the Issuer concerning the creation of indebtedness No provision of this Indenture shall be construed or interpreted (i) to require the City Council of the Issuer to appropriate any money to pay any Shortfall, or (ii) as a lending of the credit of the Issuer within the meaning of Section 29 of Article VI of the Utah Constitution.

ARTICLE V

USE OF FUNDS

Section 5.1 Use of Construction Fund.

(a) So long as an Event of Default shall not have occurred and be continuing, and except as otherwise provided by Supplemental Indenture, moneys deposited in the appropriate account in the Construction Fund shall be disbursed by the Issuer to pay the Costs of a Project.

(b) The Issuer shall keep and maintain adequate records pertaining to each account within the Construction Fund and all disbursements therefrom.

(c) Unless otherwise specified in a Supplemental Indenture, upon completion of a Project and payment of all costs and expenses incident thereto, any balance remaining in the applicable account in the Construction Fund relating to such Project shall, be deposited in the Bond Fund to be applied toward the redemption of the Series of Bonds issued to finance such Project or to pay Principal and/or interest next falling due with respect to the Bonds.

Section 5.2 Application of Revenues. All Revenues shall be accounted for by the Issuer separate and apart from all other moneys of the Issuer.

(a) So long as any Bonds are Outstanding and as a first charge and lien on the Revenues, the Issuer shall on or before fifteen days prior to each Interest Payment Date, Principal payment date, and Sinking Fund Installment payment date, allocate to the Revenue Fund an amount equal to:

(i) the interest falling due on the Bonds on the next succeeding Interest Payment Date established for the Bonds (provided, however, that so long as there are moneys representing capitalized interest on deposit with the Trustee to pay interest on the Bonds next coming due, the Issuer need not allocate to the Revenue Fund to pay interest on the Bonds); plus

(ii) the Principal and premium, if any, falling due on the next succeeding Principal payment date established for the Bonds; plus

(iii) the Sinking Fund Installment falling due on the next succeeding Sinking Fund Installment payment date, plus

(iv) the Security Instrument Repayment Obligation, if any, then due and payable, plus

(v) notwithstanding subsections (i) through (iv) above, amounts owing with respect to Administrative Costs which shall be paid by the Issuer from time to time as they become due and payable.

The Issuer shall transfer from the Revenue Fund or otherwise provide for allocation from Revenues to the Trustee for deposit to the Bond Fund at least fifteen days prior to each Interest Payment Date, Principal payment date, and Sinking Fund Installment payment date amounts sufficient to pay the Principal of, premium, if any, and interest on the Bonds promptly on each such Interest Payment Date as the same become due and payable.

(b) As a second charge and lien on the Revenues, the Issuer shall on or before fifteen days prior to each Interest Payment Date, Principal payment date, and Sinking Fund Installment payment date, make the following transfers to the Trustee:

(i) To the extent the Debt Service Reserve Requirement, if any, is not funded with a Reserve Instrument or Instruments, (A) to the accounts in the Debt Service Reserve Fund any amounts required hereby and by any Supplemental Indenture to accumulate therein the applicable Debt Service Reserve Requirement with respect to each Series of Bonds at the times and in the amounts provided herein and in any Supplemental Indenture and (B) if funds shall have been withdrawn from an account in the Debt Service Reserve Fund or any account in the Debt Service Reserve Fund is at any time funded in an amount less than the applicable Debt Service Reserve Requirement, the Issuer shall deposit Revenues in such account(s) in the Debt Service Reserve Fund sufficient in amount to restore such account(s) within one year with two (2) substantially equal payments during such period (unless otherwise provided for by the Supplemental Indenture governing the applicable Debt Service Reserve Requirement); or a ratable portion (based on the amount to be transferred pursuant to Section 5.2(b)(ii)) of remaining Revenues if less than the amount necessary, and

(ii) Equally and ratably to the accounts of the Reserve Instrument Fund, with respect to all Reserve Instruments which are in effect and are expected to continue in effect after the end of such month, such amount of the remaining Revenues, or a ratable portion (based on the amount to be transferred pursuant to Section 5.2(b)(i)) of the amount so

remaining if less than the amount necessary, that is required to be paid, on or before the next such monthly transfer or deposit of Revenues into the Reserve Instrument Fund, to the Reserve Instrument Provider pursuant to any Reserve Instrument Agreement, other than Reserve Instrument Costs, in order to cause the Reserve Instrument Coverage to equal the Reserve Instrument Limit, such that the Reserve Instrument Coverage shall equal the Reserve Instrument Limit within one year from any draw date under the Reserve Instrument.

The Revenues remaining after the foregoing deposits and transfers in each month and not required to be used for remedying any deficiencies in payments previously made into the Funds hereinabove established, may be used at any time for any other lawful purpose.

Section 5.3 Use of Bond Fund. The Issuer may direct the Trustee, pursuant to a Supplemental Indenture, to create an account within the Bond Fund for a separate Series of Bonds under the Indenture.

(a) The Trustee shall make deposits to the Bond Fund, as and when received, as follows:

(i) accrued interest received upon the issuance of any Series of Bonds;

(ii) all moneys payable by the Issuer as specified in Section 5.2(a) hereof;

(iii) any amount in the Construction Fund to the extent required by or directed pursuant to Section 5.1(c) hereof upon completion of a Project or pursuant to Section 5.1(g) hereof;

(iv) all moneys transferred from the Debt Service Reserve Fund or from a Reserve Instrument or Instruments then in effect as provided in Section 5.5 hereof; and

(v) all other moneys received by the Trustee hereunder when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund.

(b) Except as provided in Section 7.4 hereof and as provided in this Section 5.3 and except as otherwise provided by Supplemental Indenture, moneys in the Bond Fund shall be expended solely for the following purposes and in the following order of priority:

(i) on or before each Interest Payment Date for each Series of Bonds, the amount required to pay the interest due on such date;

(ii) on or before each Principal Installment due date, the amount required to pay the Principal Installment due on such due date; and

(iii) on or before each redemption date for each Series of Bonds, the amount required to pay the redemption price of and accrued interest on such Bonds then to be redeemed.

Such amounts shall be applied by the Paying Agent to pay Principal Installments and redemption price of, and interest on the related Series of Bonds.

The Trustee shall pay out of the Bond Fund to the Security Instrument Issuer, if any, that has issued a Security Instrument with respect to such Series of Bonds an amount equal to any Security Instrument Repayment Obligation then due and payable to such Security Instrument Issuer. Except as otherwise specified in a related Supplemental Indenture all such Security Instrument Repayment Obligations shall be paid on a parity with the payments to be made with respect to Principal and interest on the Bonds; provided that amounts paid under a Security Instrument shall be applied only to pay the related Series of Bonds. If payment is so made on Pledged Bonds held for the benefit of the Security Instrument Issuer, a corresponding payment on the Security Instrument Repayment Obligation shall be deemed to have been made (without requiring an additional payment by the Issuer) and the Trustee shall keep its records accordingly.

The Issuer hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay Principal of and interest on the Bonds and on Security Instrument Repayment Obligations as the same become due and payable and to make said funds so withdrawn available to the Trustee and any Paying Agent for the purpose of paying said Principal and interest.

(c) After payment in full of the Principal of and interest on (i) all Bonds issued hereunder (or after provision has been made for the payment thereof as provided herein so that such Bonds are no longer Outstanding), (ii) all agreements relating to all outstanding Security Instrument Repayment Obligations and Reserve Instrument Repayment Obligations in accordance with their respective terms, and (iii) all fees, charges and expenses of the Trustee, the Paying Agent and any other amounts required to be paid hereunder or under any Supplemental Indenture and under any Security Instrument Agreement and under any Reserve Instrument Agreement, all amounts remaining in the Bond Fund shall be paid to the Issuer.

Section 5.4 Use of Sinking Fund Account.

(a) The Trustee shall apply moneys in the Sinking Fund Account to the retirement of any Term Bonds required to be retired by operation of the Sinking Fund Account under the provisions of and in accordance with the Supplemental Indenture authorizing the issuance of such Term Bonds, either by redemption in accordance with such Supplemental Indenture or, at the direction of the Issuer, purchase of such Term Bonds in the open market prior to the date on which notice of the redemption of such Term Bonds is given pursuant hereto, at a price not to exceed the redemption price of such Term Bonds (plus accrued interest which will be paid from moneys in the Bond Fund other than those in the Sinking Fund Account).

(b) On the maturity date of any Term Bonds, the Trustee shall apply the moneys on hand in the Sinking Fund Account for the payment of the Principal of such Term Bonds.

Section 5.5 Use of Debt Service Reserve Fund. Except as otherwise provided in this Section 5.5 and subject to the immediately following sentence, moneys in each account in the Debt Service Reserve Fund shall at all times be maintained in an amount not less than the applicable Debt Service Reserve Requirement, if any. In calculating the amount on deposit in each account in the Debt Service Reserve Fund, the amount of any Reserve Instrument Coverage will be treated as an amount on deposit in such account in the Debt Service Reserve Fund. Each Supplemental Indenture authorizing the issuance of a Series of Bonds shall specify the Debt Service Reserve Requirement, if any, applicable to such Series which amount shall be (i) deposited immediately upon the issuance and delivery of such Series from (a) proceeds from the sale thereof or from any other legally available source, or (b) by a Reserve Instrument or Instruments, or (c) any combination thereof or (ii) deposited from available Revenues over the period of time specified therein, or (iii) deposited from any combination of (i) and (ii) above; provided however, the foregoing provisions shall be subject to the requirements of any bond insurer or other Security Instrument Issuer set forth in any Supplemental Indenture. If at any time the amount on deposit in any account of the Debt Service Reserve Fund is less than the minimum amount to be maintained therein under this Section 5.5, the Issuer is required, pursuant to Section 5.2(b) hereof and the provisions of any Supplemental Indenture, to make payments totaling the amount of any such deficiency directly to the Trustee for deposit into the Debt Service Reserve Fund.

In the event funds on deposit in an account of the Debt Service Reserve Fund are needed to make up any deficiencies in the Bond Fund as aforementioned, and there is insufficient cash available in such account of the Debt Service Reserve Fund to make up such deficiency and Reserve Instruments applicable to such Series are in effect, the Trustee shall immediately make a demand for payment on such Reserve Instruments, to the maximum extent authorized by such Reserve Instruments, in the amount necessary to make up such deficiency, and immediately deposit such payment upon receipt thereof into the Bond Fund. Thereafter, the Issuer shall be obligated to reinstate the Reserve Instrument as provided in Section 5.2(b)(ii) herein.

No Reserve Instrument shall be allowed to expire or terminate while the related Series of Bonds are Outstanding unless and until cash has been deposited into the related account of the Debt Service Reserve Fund, or a new Reserve Instrument has been issued in place of the expiring or terminating Reserve Instrument, or any combination thereof in an amount or to provide coverage, as the case may be, at least equal to the amount required to be maintained in the related account of the Debt Service Reserve Fund.

Moneys at any time on deposit in the account of the Debt Service Reserve Fund in excess of the amount required to be maintained therein (taking into account the amount of related Reserve Instrument Coverage) shall be transferred by the Trustee to the Bond Fund at least once each year.

Moneys on deposit in any account of the Debt Service Reserve Fund shall be used to make up any deficiencies in the Bond Fund only for the Series of Bonds secured by said account and any Reserve Instrument shall only be drawn upon with respect to Bonds for which such Reserve Instrument was obtained.

Section 5.6 Use of Reserve Instrument Fund. There shall be paid into the Reserve Instrument Fund the amounts required hereby and by a Supplemental Indenture to be so paid. The amounts in the Reserve Instrument Fund shall, from time to time, be applied by the Trustee on behalf of the Issuer to pay the Reserve Instrument Repayment Obligations which are due and payable to any Reserve Instrument Provider under any applicable Reserve Instrument Agreement. The Issuer may, upon obtaining an approving opinion of bond counsel to the effect that such transaction will not adversely affect the tax-exempt status of any outstanding Bonds, replace any amounts required to be on deposit in the Debt Service Reserve Fund with a Reserve Instrument and use such amounts for the related Project or to pay Principal on the related Bonds.

Section 5.7 Use of Rebate Fund.

(a) If it becomes necessary for the Issuer to comply with the rebate requirements of the Code and the Regulations, the Trustee shall establish and thereafter maintain, so long as the Bonds which are subject to said rebate requirements are Outstanding, a Rebate Fund, which shall be held separate and apart from all other funds and accounts established under this Indenture and from all other moneys of the Trustee.

(b) All amounts in the Rebate Fund, including income earned from investment of the fund, shall be held by the Trustee free and clear of the lien of the Indenture. In the event the amount on deposit in the Rebate Fund exceeds the aggregate amount of Rebatable Arbitrage for one or more Series of Bonds, as verified in writing by an independent public accountant or other qualified professional at the time the Rebatable Arbitrage is determined, the excess amount remaining after payment of the Rebatable Arbitrage to the United States shall, upon the Issuer's written request accompanied by the determination report, be paid by the Trustee to the Issuer.

(c) The Issuer shall determine the amount of Rebatable Arbitrage and the corresponding Required Rebate Deposit with respect to each Series of Bonds on each applicable Rebate Calculation Date and take all other actions necessary to comply with the rebate requirements of the Code and the Regulations. The Issuer shall deposit into the Rebate Fund the Required Rebate Deposit, if any, with respect to each Series of Bonds (or instruct the Trustee to transfer to the Rebate Fund moneys representing such Required Rebate Deposit from the Funds and Accounts held under the Indenture other than the Rebate Fund) or shall otherwise make payment of the rebate to be paid to the United States at the times required by the Code and the Regulations. If applicable, the Issuer shall instruct in writing the Trustee to withdraw from the Rebate Fund and pay any rebate over to the United States. The determination of Rebatable Arbitrage made with respect to each such

payment date and with respect to any withdrawal and payment to the Issuer from the Rebate Fund pursuant to the Indenture must be verified in writing by an independent public accountant or other qualified professional. The Trustee may rely conclusively upon and shall be fully protected from all liability in relying upon the Issuer's determinations, calculations and certifications required by this Section 5.7 and the Trustee shall have no responsibility to independently make any calculations or determination or to review the Issuer's determinations, calculations and certifications required by this Section 5.7.

(d) The Trustee shall, at least 60 days prior to each Rebate Calculation Date, notify the Issuer of the requirements of this Section 5.7. By agreeing to give this notice, the Trustee assumes no responsibility whatsoever for compliance by the Issuer with the requirements of Section 148 of the Code or any successor. The Issuer expressly agrees that (notwithstanding any other provision of the Indenture) any failure of the Trustee to give any such notice, for any reason whatsoever, shall not cause the Trustee to be responsible for any failure of the Issuer to comply with the requirements of said Section 148 or any successor thereof.

(e) The provisions of this Section 5.7 may be amended or deleted without Bondowner consent or notice, upon receipt by the Issuer and the Trustee of an opinion of nationally recognized bond counsel that such amendment or deletion will not adversely affect the excludability from gross income of interest on the Bonds or the status of the Bonds as Build America Bonds.

Section 5.8 Investment of Funds. Any moneys in the Bond Fund, the Construction Fund, the Rebate Fund, the Reserve Instrument Fund and the Debt Service Reserve Fund shall, at the discretion and authorization of the Issuer, be invested in Qualified Investments; provided, however, that moneys on deposit in the Bond Fund and the Reserve Instrument Fund may only be invested in Qualified Investments having a maturity date one year or less. If no written authorization is given to the Trustee with respect to the funds and accounts that it holds, moneys shall be held uninvested. Such investments shall be held by the Issuer and the Trustee in their respective Funds, and when the Issuer or the Trustee determines it necessary to use the moneys in the respective Funds for the purposes for which the Funds were created, they shall liquidate at prevailing market prices as much of the investments as may be necessary and apply the proceeds to such purposes. All income derived from the investment of the Construction Fund, Bond Fund, the Reserve Instrument Fund and Rebate Fund shall be maintained in said respective Funds and disbursed along with the other moneys on deposit therein as herein provided. All income derived from the investment of the Debt Service Reserve Fund shall be maintained therein and disbursed in accordance with Section 5.5 hereof. All moneys in the Revenue Fund may, at the discretion of the Issuer, be invested by the Issuer in Qualified Investments.

With respect to the Funds that it holds, the Trustee shall have no liability or responsibility for any loss resulting from any investment made in accordance with the provisions of this Section 5.8. With respect to the Funds that it holds, the Trustee shall be entitled to assume that any investment, which at the time of purchase is a Qualified

Investment, remains a Qualified Investment thereafter, absent receipt of written notice or information to the contrary.

The Trustee may, with respect to the Funds that it holds and to the extent permitted by the State Money Management Act of 1974, Title 51, Chapter 7, Utah Code make any and all investments permitted by the provisions of the Indenture through its own or any of its affiliate's investment departments.

The Issuer acknowledges that to the extent regulations of the comptroller of the currency or any other regulatory entity grants the Issuer the right to receive brokerage confirmations of the security transactions as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. With respect to the Funds that it holds, the Trustee shall furnish the Issuer periodic cash transaction statements which include the detail for all investment transactions made by the Trustee hereunder.

In the event the Issuer shall be advised by nationally recognized municipal bond counsel that it is necessary to restrict or limit the yield on the investment of any moneys paid to or held by the Trustee in order to avoid the Bonds, or any Series thereof, being considered "arbitrage bonds" within the meaning of the Code or the Treasury Regulations proposed or promulgated thereunder, or to otherwise preserve the excludability of interest payable or paid on any Bonds from gross income for federal income tax purposes, the Issuer may require in writing the Trustee to take such steps as it may be advised by such counsel are necessary so to restrict or limit the yield on such investment, irrespective of whether the Trustee shares such opinion, and the Trustee agrees that it will take all such steps as the Issuer may require.

Section 5.9 Trust Funds. All moneys and securities received by the Trustee under the provisions of this Indenture shall be trust funds under the terms hereof and shall not be subject to lien or attachment of any creditor of the State or any political subdivision, body, agency, or instrumentality thereof or of the Issuer and shall not be subject to appropriation by any legislative body or otherwise. Such moneys and securities shall be held in trust and applied in accordance with the provisions hereof. Except as provided otherwise in Section 5.7 hereof, unless and until disbursed pursuant to the terms hereof, all such moneys and securities (and the income therefrom) shall be held by the Trustee as security for payment of the Principal of, premium, if any, and interest on the Bonds and the fees and expenses of the Trustee payable hereunder.

Section 5.10 Method of Valuation and Frequency of Valuation. In computing the amount in any fund or account, Qualified Investments shall be valued at market, exclusive of accrued interest. With respect to all funds and accounts, valuation shall occur annually, except in the event of a withdrawal from the Debt Service Reserve Fund, whereupon securities shall be valued immediately after such withdrawal.

ARTICLE VI

GENERAL COVENANTS

Section 6.1 General Covenants. The Issuer hereby covenants and agrees with each and every Registered Owner of the Bonds issued hereunder and Reserve Instrument Provider as follows:

(a) While any of the Bonds remain outstanding and unpaid, or any Repayment Obligations are outstanding, the ordinance, resolution or other enactment of the Issuer applying the Revenues for the payment of the Bonds and the Repayment Obligations shall be irrevocable until the Bonds and/or any Repayment Obligations have been paid in full as to both Principal and interest, and is not subject to amendment in any manner which would impair the rights of the holders of those Bonds or the Repayment Obligations which would in any way jeopardize the timely payment of Principal or interest when due.

(b) So long as any Principal and interest payments of the Bonds are Outstanding, or any Repayment Obligations are outstanding, proper books of record and account will be kept by the Issuer separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Revenues. Each Registered Owner, Security Instrument Issuer and Reserve Instrument Provider, or any duly authorized agent or agents thereof shall have the right at all reasonable times to inspect all records, accounts and data relating thereto. Except as otherwise provided herein, the Issuer further agrees that it will within one hundred eighty (180) days following the close of each Bond Fund Year cause an audit of such books and accounts to be made by an independent firm of certified public accountants, showing the receipts and disbursements for account of the Revenues, and that such audit will be available for inspection by each Registered Owner, Security Instrument Issuer and Reserve Instrument Provider.

Section 6.2 First Lien Bonds; Equality of Liens. The Bonds and any Security Instrument Repayment Obligations constitute an irrevocable first lien upon the Revenues. The Issuer covenants that the Bonds and Security Instrument Repayment Obligations hereafter authorized to be issued and from time to time outstanding are equitably and ratably secured by a first lien on the Revenues and shall not be entitled to any priority one over the other in the application of the Revenues regardless of the time or times of the issuance of the Bonds or delivery of Security Instruments, it being the intention of the Issuer that there shall be no priority among the Bonds or the Security Instrument Repayment Obligations regardless of the fact that they may be actually issued and/or delivered at different times.

Any assignment or pledge from the Issuer to a Reserve Instrument Provider of (i) proceeds of the issuance and sale of Bonds, (ii) Revenues, or (iii) Funds established hereby, including investments, if any, thereof, is and shall be subordinate to the assignment and pledge effected hereby to the Registered Owners of the Bonds and to the Security Instrument Issuers.

Section 6.3 Payment of Principal and Interest. The Issuer covenants that it will punctually pay or cause to be paid the Principal of and interest on every Bond issued hereunder, any Security Instrument Repayment Obligations and any Reserve Instrument Repayment Obligations, in strict conformity with the terms of the Bonds, this Indenture, any Security Instrument Agreement and any Reserve Instrument Agreement, according to the true intent and meaning hereof and thereof. The Principal of and interest on the Bonds, any Security Instrument Repayment Obligations and any Reserve Instrument Repayment Obligations are payable solely from the Revenues (except to the extent paid out of moneys attributable to Bond proceeds or other funds created hereunder or the income from the temporary investment thereof), which Revenues are hereby specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified, and nothing in the Bonds, this Indenture, any Security Instrument Agreement or any Reserve Instrument Agreement should be considered as pledging any other funds or assets of the Issuer for the payment thereof.

Section 6.4 Performance of Covenants; Issuer. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained herein, and in any and every Bond, Security Instrument Agreement and Reserve Instrument Agreement. The Issuer represents that it is duly authorized under the Constitution of the State to issue the Bonds authorized hereby and to execute this Indenture, that all actions on its part for the issuance of the Bonds and the execution and delivery of this Indenture have been duly and effectively taken, and that the Bonds in the hands of the Registered Owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof.

Section 6.5 List of Bondholders. The Trustee will keep on file at its Principal Corporate Trust Office a list of the names and addresses of the Registered Owners of all Bonds which are from time to time registered on the registration books in the hands of the Trustee as Registrar for the Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Issuer or by the Registered Owners (or a designated representative thereof) of 10% or more in Principal amount of Bonds then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the reasonable satisfaction of the Trustee.

Section 6.6 Designation of Additional Paying Agents. The Issuer hereby covenants and agrees to cause the necessary arrangements to be made through the Trustee and to be thereafter continued for the designation of alternate paying agents, if any, and for the making available of funds hereunder, but only to the extent such funds are made available to the Issuer from Bond proceeds or other Funds created hereunder or the income from the temporary investment thereof, for the payment of such of the Bonds as shall be presented when due at the Principal Corporate Trust Office of the Trustee, or its successor in trust hereunder, or at the principal corporate trust office of said alternate Paying Agents.

Section 6.7 Tax Exemption of Bonds and Direct Payments. The Issuer recognizes that Section 149(a) of the Code requires bonds to be issued and to remain in fully registered form in order that interest thereon is excluded from gross income for federal income tax purposes under laws in force at the time the bonds are delivered. Bonds issued

pursuant to this Indenture, the interest on which is excludable from gross income for federal income tax purposes, are referred to in this Section 6.7 as “tax-exempt Bonds”. Pursuant to the provisions thereof, the Issuer agrees that it will not take any action to permit tax-exempt Bonds issued hereunder to be issued in, or converted into, bearer or coupon form, unless the Issuer first receives an opinion from nationally recognized bond counsel that such action will not result in the interest on any Bonds becoming includible in gross income for purposes of federal income taxes then in effect.

The Issuer’s Mayor and City Recorder are hereby authorized and directed to execute such certificates as shall be necessary to establish that tax-exempt Bonds or Build America Bonds issued hereunder are not “arbitrage bonds” within the meaning of Section 148 of the Code and the Regulations promulgated or proposed thereunder, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150-1 through 1.150-2 as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Issuer covenants and certifies to and for the benefit of the Registered Owners of such Bonds that no use will be made of the proceeds of the issue and sale of such Bonds, or any funds or accounts of the Issuer which may be deemed to be available proceeds of such Bonds, pursuant to Section 148 of the Code and applicable regulations (proposed or promulgated) which use, if it had been reasonably expected on the date of issuance of such Bonds, would have caused the Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code. Pursuant to this covenant, the Issuer obligates itself to comply throughout the term of such Bonds with the requirements of Section 148 of the Code and the regulations proposed or promulgated thereunder.

The Issuer further covenants and agrees to and for the benefit of the Registered Owners that the Issuer (i) will not take any action that would cause interest on tax-exempt Bonds issued hereunder to become includible in gross income for purposes of federal income taxation, (ii) will not take any action that would jeopardize the Direct Payments on Build America Bonds issued under this Indenture, (iii) will not omit to take or cause to be taken, in timely manner, any action, which omission would cause the interest on the tax-exempt Bonds to become includible in gross income for purposes of federal income taxation, (iv) will not omit to take or cause to be taken, in timely manner, any action, which omission would jeopardize the Direct Payments on Build America Bonds issued under this Indenture, and (v) to the extent possible, comply with any other requirements of federal tax law applicable to the Bonds in order to preserve the excludability from gross income for purposes of federal income taxation of interest on tax-exempt Bonds and the Direct Payments on Build America Bonds issued under this Indenture.

Section 6.8 Expeditious Construction. The Issuer shall complete the acquisition and construction of each Project with all practical dispatch and will cause all construction to be effected in a sound and economical manner.

Section 6.9 Instruments of Further Assurance. The Issuer and the Trustee mutually covenant that they will, from time to time, each upon the written request of the other, or upon the request of a Security Instrument Issuer or a Reserve Instrument Provider, execute and deliver such further instruments and take or cause to be taken such further actions as may be reasonable and as may be required by the other to carry out the purposes

hereof; provided, however, that no such instruments or action shall involve any personal liability of the Trustee or members of the governing body of the Issuer or any official thereof.

ARTICLE VII

EVENTS OF DEFAULT; REMEDIES

Section 7.1 Events of Default. Each of the following events is hereby declared an “Event of Default”:

(a) if payment of any installment of interest on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable, or

(b) if payment of the Principal of or the redemption premium, if any, on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable, either at maturity or by proceedings for redemption in advance of maturity or through failure to fulfill any payment to any fund hereunder or otherwise; or

(c) if the Issuer shall for any reason be rendered incapable of fulfilling its obligations hereunder; or

(d) if an order or decree shall be entered, with the consent or acquiescence of the Issuer, appointing a receiver or custodian for any of the Revenues of the Issuer, or approving a petition filed against the Issuer seeking reorganization of the Issuer under the federal bankruptcy laws or any other similar law or statute of the United States of America or any state thereof, or if any such order or decree, having been entered without the consent or acquiescence of the Issuer shall not be vacated or discharged or stayed on appeal within 30 days after the entry thereof; or

(e) if any proceeding shall be instituted, with the consent or acquiescence of the Issuer, for the purpose of effecting a composition between the Issuer and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are or may be under any circumstances payable from Revenues; or

(f) if (i) the Issuer is adjudged insolvent by a court of competent jurisdiction, or (ii) an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the Issuer, a receiver, trustee or custodian of the Issuer or of the whole or any part of the Issuer’s property and any of the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within sixty (60) days from the date of entry thereof; or

(g) if the Issuer shall file a petition or answer seeking reorganization, relief or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(h) if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Issuer or of the whole or any substantial part of the property of the Issuer, and such custody or control shall not be terminated within 30 days from the date of assumption of such custody or control; or

(i) if the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or herein or any Supplemental Indenture hereof on the part of the Issuer to be performed, other than as set forth above in this Section 7.1, and such Event of Default shall continue for 30 days after written notice specifying such Event of Default and requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Registered Owners of not less than 25% in aggregate Principal amount of the Bonds then Outstanding hereunder; or

(j) the occurrence of any event specified in a Supplemental Indenture as constituting an Event of Default.

Section 7.2 Remedies; Rights of Registered Owners. Upon the occurrence of an Event of Default, the Trustee, upon being indemnified pursuant to Section 8.1 hereof, may pursue any available remedy by suit at law or in equity to enforce the payment of the Principal of, premium, if any, and interest on the Bonds then Outstanding or to enforce any obligations of the Issuer hereunder including the right to require the Issuer to make monthly deposits to the Bond Fund in the amounts set forth in Sections 5.2(a)(i) through 5.2(a)(iii).

If an Event of Default shall have occurred, and if requested so to do by (i) Registered Owners of not less than 25% in aggregate Principal amount of the Bonds then Outstanding, (ii) Security Instrument Issuers at that time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure not less than 25% in aggregate Principal amount of Bonds at the time Outstanding, or (iii) any combination of Registered Owners and Security Instrument Issuers described in (i) and (ii) above representing not less than 25% in aggregate Principal amount of Bonds at the time Outstanding, and indemnified as provided in Section 8.1 hereof, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Section 7.2 as the Trustee, being advised by counsel, shall deem most expedient in the interest of the Registered Owners and the Security Instrument Issuers.

No remedy by the terms hereof conferred upon or reserved to the Trustee (or to the Registered Owners or to the Security Instrument Issuers) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Registered Owners or the Security Instrument Issuers now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any Event of Default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Registered Owners or the Security Instrument Issuers, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

Section 7.3 Right of Registered Owners to Direct Proceedings. Anything herein to the contrary notwithstanding, unless a Supplemental Indenture provides otherwise, either (i) the Registered Owners of a majority in aggregate Principal amount of the Bonds then Outstanding, (ii) the Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure not less than 50% in aggregate Principal amount of Bonds at the time Outstanding, or (iii) any combination of Registered Owners and Security Instrument Issuers described in (i) and (ii) above representing not less than 50% in aggregate Principal amount of Bonds at the time Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions hereof, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 7.4 Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article VII shall, after payment of Trustee's fees and expenses including the fees and expenses of its counsel for the proceedings resulting in the collection of such moneys and of the expenses and liabilities and advances incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund shall be applied in the following order:

(a) To the payment of the Principal of, premium, if any, and interest then due and payable on the Bonds and the Security Instrument Repayment Obligations as follows:

(i) Unless the Principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST—To the payment to the persons entitled thereto of all installments of interest then due on the Bonds and the interest component of any Security Instrument Repayment Obligations then due, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

SECOND—To the payment to the persons entitled thereto of the unpaid Principal of and premium, if any, on the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions hereof), in the order of their due dates, and the Principal component of any Security Instrument Repayment Obligations then due, and, if the amount available shall not be sufficient to pay in full all the Bonds and the Principal component of any Security Instrument Repayment Obligations due on any particular date, then to the payment ratably, according to the amount of Principal due on such date, to the persons entitled thereto without any discrimination or privilege.

(ii) If the Principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the Principal and interest then due and unpaid upon the Bonds and Security Instrument Repayment Obligations, without preference or priority of Principal over interest or of interest over Principal, or of any installment of interest over any other installment of interest, or of any Bond or Security Instrument Repayment Obligation over any other Bond or Security Instrument Repayment Obligation, ratably, according to the amounts due respectively for Principal and interest, to the persons entitled thereto without any discrimination or privilege.

(iii) To the payment of all obligations owed to all Reserve Instrument Providers, ratably, according to the amounts due without any discrimination or preference under any applicable agreement related to any Reserve Instrument Agreement.

Whenever moneys are to be applied pursuant to the provisions of this Section 7.4, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amounts of such moneys available for such application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of Principal paid on such dates shall cease to accrue.

Section 7.5 Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) hereunder or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings related thereto and any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Registered Owners of the Bonds, and any recovery of judgment shall be for the equal benefit of the Registered Owners of the Outstanding Bonds.

Section 7.6 Rights and Remedies of Registered Owners. Except as provided in the last sentence of this Section 7.6, no Registered Owner of any Bond or Security Instrument Issuer shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement hereof or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless an Event of Default has occurred of which the Trustee has been notified as provided in Section 8.1(g), or of which by said Section it is deemed to have notice, nor unless also Registered Owners of 25% in aggregate Principal amount of the Bonds then Outstanding or Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and are not in default on any payment obligation and which secure not less than 25% in aggregate Principal amount of Bonds at the time Outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinabove granted, or to institute such action, suit or proceeding in its own name or names. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trust hereof, and to any action or cause of action for the enforcement hereof, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more Registered Owner of the Bonds or Security Instrument Issuer shall have any right in any manner whatsoever to affect, disturb or prejudice the lien hereof by its action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Registered Owners of all Bonds then Outstanding and all Security Instrument Issuers at the time providing Security Instruments. Nothing herein contained shall, however, affect or impair the right of any Registered Owner or Security Instrument Issuer to enforce the covenants of the Issuer to pay the Principal of, premium, if any, and interest on each of the Bonds issued hereunder held by such Registered Owner and Security Instrument Repayment Obligations at the time, place, from the source and in the manner in said Bonds or Security Instrument Repayment Obligations expressed.

Section 7.7 Termination of Proceedings. In case the Trustee, any Registered Owner or any Security Instrument Issuer shall have proceeded to enforce any right hereunder by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, the Registered Owner, or Security Instrument Issuer, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.8 Waivers of Events of Default. Subject to Section 8.1(g) hereof, the Trustee may in its discretion, and with the prior written consent of all Security Instrument Issuers at the time providing Security Instruments, waive any Event of Default hereunder and its consequences and shall do so upon the written request of the Registered Owners of (a) a majority in aggregate Principal amount of all the Bonds then Outstanding or Security Instrument Issuers at the time providing Security Instruments which are in full force and

effect and are not in default on any payment obligation and which secure not less than 50% in aggregate Principal amount of Bonds at the time Outstanding in respect of which an Event of Default in the payment of Principal and interest exist, or (b) a majority in aggregate Principal amount of the Bonds then Outstanding or Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and are not in default on any payment obligation and which secure not less than 50% in aggregate Principal amount of Bonds at the time Outstanding in the case of any other Event of Default; provided, however, that there shall not be waived (i) any default in the payment of the Principal of any Bonds at the date that a Principal Installment is due or (ii) any default in the payment when due of the interest on any such Bonds, unless prior to such waiver or rescission, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest and all arrears of payments of Principal and premium, if any, when due and all expenses of the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee, the Registered Owners and the Security Instrument Issuers shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 7.9 Cooperation of Issuer. In the case of any Event of Default hereunder, the Issuer shall cooperate with the Trustee and use its best efforts to protect the Registered Owners, Reserve Instrument Providers and the Security Instrument Issuers.

ARTICLE VIII

THE TRUSTEE

Section 8.1 Acceptance of the Trusts. The Trustee accepts the trusts imposed upon it hereby, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers thereof and perform any of its duties by or through attorneys, agents, receivers or employees and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of counsel. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer; but the Trustee may require of the Issuer full information and advice as to the performance of the covenants, conditions and agreements aforesaid and as to the condition of the property herein conveyed. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions hereof. The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the Bonds.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder, except as specifically set forth herein. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant hereto upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Registered Owner of any Bond, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by an Authorized Representative as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default of which the Trustee has been notified as provided in Section 8.1(g) herein, or of which by said Paragraph it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of an Authorized Representative of the Issuer under its seal to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated herein shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder, except an Event of Default described in Section 7.1(a) or 7.1(b), unless the Trustee shall be specifically notified in writing of such Default by the Issuer, a Security Instrument Issuer or by the Registered Owners of at least 25% in the aggregate Principal amount of any Series of the Bonds then Outstanding and all notices or other instruments required hereby to be delivered to the Trustee must, in order to be effective, be delivered at the Principal Corporate Trust Office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no Event of Default except as aforesaid.

(h) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect all books, papers and records of the Issuer pertaining to the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere herein contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview hereof, any showing, certificates, opinions, appraisals, or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) All moneys received by the Trustee or any Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(l) If any Event of Default hereunder shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it hereby and shall use the same degree of care as a prudent man would exercise or use in the circumstances in the conduct of his own affairs.

(m) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Registered Owners, Security Instrument Issuers or Reserve Instrument Providers pursuant to the provisions of this Indenture, unless such Registered Owners, Security Instrument Issuers or Reserve Instrument Providers shall have

offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby.

(n) The Trustee shall not be required to expend, advance, or risk its own funds or incur any financial liability in the performance of its duties or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or satisfactory indemnity against such risk or liability is not assured to it.

Section 8.2 Fees, Charges and Expenses of Trustee. The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered as Trustee hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent and Registrar for the Bonds as hereinabove provided. Upon an Event of Default, but only upon an Event of Default, the Trustee shall have a right of payment prior to payment on account of interest or Principal of, or premium, if any, on any Bond for the foregoing advances, fees, costs and expenses incurred. The Trustee's rights under this Section 8.2 will not terminate upon its resignation or removal or upon payment of the Bonds and discharge of the Indenture.

Section 8.3 Notice to Registered Owners if Event of Default Occurs. If an Event of Default occurs of which the Trustee is by Section 8.1(g) hereof required to take notice or if notice of an Event of Default be given to the Trustee as in said Section provided, then the Trustee shall give written notice thereof by registered or certified mail to all Security Instrument Issuers or to Registered Owners of all Bonds then Outstanding shown on the registration books of the Bonds kept by the Trustee as Registrar for the Bonds.

Section 8.4 Intervention by Trustee. In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interest of Registered Owners of the Bonds, the Trustee may intervene on behalf of such Owners and shall do so if requested in writing by the Registered Owners of at least 25% in aggregate Principal amount of the Bonds then Outstanding. The rights and obligations of the Trustee under this Section 8.4 are subject to the approval of a court of competent jurisdiction.

Section 8.5 Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed of conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6 Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving written notice to the Issuer, served personally or by registered or certified mail, and by registered or certified mail to each Reserve Instrument Issuer, Security Instrument Issuer and Registered Owner of Bonds then Outstanding, and such resignation shall take effect upon the appointment of and acceptance by a successor Trustee by the Registered Owners or by the Issuer as provided in Section 8.8 hereof; provided, however that if no successor Trustee has been appointed within 60 days of the date of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice, if any, as it deems proper and prescribes, appoint a successor Trustee.

Section 8.7 Removal of the Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments (i) in writing delivered to the Trustee, and signed by the Issuer, unless there exists any Event of Default, or (ii) in writing delivered to the Trustee and the Issuer, and signed by the Registered Owners of a majority in aggregate Principal amount of Bonds then Outstanding if an Event of Default exists; provided that such instrument or instruments concurrently appoint a successor Trustee meeting the qualifications set forth herein.

Section 8.8 Appointment of Successor Trustee by Registered Owners; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Issuer or if an Event of Default exists by the Registered Owners of a majority in aggregate Principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by such Owners, or by their attorneys in fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer by an instrument executed by an Authorized Representative under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Registered Owners in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Registered Owners. Every successor Trustee appointed pursuant to the provisions of this Section 8.8 or otherwise shall be a trust company or bank in good standing having a reported capital and surplus of not less than \$50,000,000.

Each Reserve Instrument Provider and Security Instrument Issuer shall be notified by the Issuer immediately upon the resignation or termination of the Trustee and provided with a list of candidates for the office of successor Trustee.

Section 8.9 Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of the

successor Trustee, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article VIII shall be filed and/or recorded by the successor Trustee in each recording office, if any, where the Indenture shall have been filed and/or recorded.

Section 8.10 Trustee Protected in Relying Upon Indenture, Etc. The indentures, opinions, certificates and other instruments provided for herein may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 8.11 Successor Trustee as Trustee of Funds; Paying Agent and Bond Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be Trustee hereunder and Registrar for the Bonds and Paying Agent for Principal of, premium, if any, and interest on the Bonds, and the successor Trustee shall become such Trustee, Registrar and Paying Agent for the Bonds.

Section 8.12 Trust Estate May Be Vested in Separate or Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation hereunder, and in particular in case of the enforcement of remedies on Event of Default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights, or remedies herein granted to the Trustee or hold title to the trust estate, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section 8.12 are adapted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended hereby to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vested in such separate or co-trustee, but only to the extent necessary to enable the separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from the Issuer be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request of such trustee or co-trustee, be executed, acknowledged and delivered by the Issuer. In case any separate trustee or co-trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 8.13 Annual Accounting. The Trustee shall prepare an annual accounting for each Bond Fund Year by the end of the month following each such Bond Fund Year showing in reasonable detail all financial transactions relating to the funds and accounts held by the Trustee hereunder during the accounting period and the balance in any funds or accounts created hereby as of the beginning and close of such accounting period, and shall mail the same to the Issuer, and to each Reserve Instrument Provider requesting the same. The Trustee shall also make available for inspection by any Registered Owner a copy of said annual accounting (with the names and addresses of Registered Owners receiving payment of debt service on the Bonds deleted therefrom) and shall mail the same if requested in writing to do so by Registered Owners of at least 25% in aggregate Principal amount of Bonds then Outstanding to the designee of said Owners specified in said written request at the address therein designated. On or before the end of the month following each Bond Fund Year, the Trustee shall, upon written request, provide to the Issuer and the Issuer's independent auditor representations as to the accuracy of the facts contained in the financial reports concerning the transactions described herein that were delivered by the Trustee during the Bond Fund Year just ended.

Section 8.14 Indemnification. To the extent permitted by law and subject to the provisions of Section 8.1(a) of this Indenture, the Issuer shall indemnify and save Trustee harmless against any liabilities it may incur in the exercise and performance of its powers and duties hereunder, other than those due to its own negligence or willful misconduct.

Section 8.15 Trustee's Right to Own and Deal in Bonds. The bank or trust company acting as Trustee under this Indenture, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds issued hereunder and secured by this Indenture, and may join in any action which any Bondholder may be entitled to take with like effect as if such bank or trust company were not the Trustee under this Indenture.

Section 8.16 Direct Payment Authorization. The Issuer hereby authorizes and directs the Trustee to take all necessary actions to effectively carry out the duties required to apply for and accept Direct Payments from the Internal Revenue Service on behalf of the Issuer under Sections 54AA and 6431 of the Code or such other tax provisions of substantially similar nature which may be hereafter authorized, including, but not limited to, filing and signing IRS Form 8038-CP, receiving the Direct Payment on the Issuer's behalf, and using such Direct Payment to pay Debt Service on the Bonds. For fixed rate

bonds, the Trustee shall file the 8038-CP at least 50 days (but not more than 90 days) before the relevant Interest Payment Date (unless otherwise directed by a change in regulations). For variable rate bonds, the Trustee shall file the 8038-CP for reimbursements in arrears within 25 days after the last Interest Payment Date within the quarterly period for which reimbursement is being requested (unless otherwise directed by a change in regulations). The Issuer hereby covenants that it will deposit the Direct Payments with the Trustee for use in paying Debt Service on the Bonds.

ARTICLE IX

SUPPLEMENTAL INDENTURES

Section 9.1 Supplemental Indentures Not Requiring Consent of Registered Owners, Security Instrument Issuers and Reserve Instrument Providers. The Issuer and the Trustee may, without the consent of, or notice to, any of the Registered Owners or Reserve Instrument Providers, or Security Instrument Issuers, enter into an indenture or indentures supplemental hereto, as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) To provide for the issuance of Additional Bonds in accordance with the provisions of Section 2.13 hereof;
- (b) To cure any ambiguity or formal defect or omission herein;
- (c) To grant to or confer upon the Trustee for the benefit of the Registered Owners, any Security Instrument Issuers and any Reserve Instrument Providers any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Registered Owners or any of them which shall not adversely affect the interests of any Reserve Instrument Providers or Security Instrument Issuers without its consent;
- (d) To subject to this Indenture additional Revenues or other revenues, properties, collateral or security;
- (e) To provide for the issuance of the Bonds pursuant to a book-entry system or as uncertificated registered public obligations pursuant to the provisions of the Registered Public Obligations Act, Title 15, Chapter 7 of the Utah Code, Annotated 1953, as amended, or any successor provisions of law;
- (f) To make any change which shall not materially adversely affect the rights or interests of the Owners of any Outstanding Bonds, any Security Instrument Issuers or any Reserve Instrument Provider requested or approved by a Rating Agency in order to obtain or maintain any rating on the Bonds or requested or approved by a Security Instrument Issuer or Reserve Instrument Provider in order to insure or provide other security for any Bonds;
- (g) To make any change necessary (A) to establish or maintain the excludability from gross income for federal income tax purposes of interest on any

Series of Bonds as a result of any modifications or amendments to Section 148 of the Code or interpretations by the Internal Revenue Service of Section 148 of the Code or of regulations proposed or promulgated thereunder, or (B) to comply with the provisions of Section 148(f) of the Code, including provisions for the payment of all or a portion of the investment earnings of any of the Funds established hereunder to the United States of America, or (C) to establish or maintain the Direct Payments related to any Series of Bonds;

(h) If the Bonds affected by any change are rated by a Rating Agency, to make any change which does not result in a reduction of the rating applicable to any of the Bonds so affected, provided that if any of the Bonds so affected are secured by a Security Instrument, such change must be approved in writing by the related Security Instrument Issuer;

(i) If the Bonds affected by any change are secured by a Security Instrument, to make any change approved in writing by the related Security Instrument Issuer, provided that if any of the Bonds so affected are rated by a Rating Agency, such change shall not result in a reduction of the rating applicable to any of the Bonds so affected;

(j) Unless otherwise provided by a Supplemental Indenture authorizing a Series of Bonds, the designation of the facilities to constitute a Project by such Supplemental Indenture may be modified or amended if the Issuer delivers to the Trustee (1) a Supplemental Indenture designating the facilities to comprise the Project and (2) an opinion of Bond Counsel to the effect that such amendment will not adversely affect the tax-exempt status (if applicable) or validity of the Bonds; and

(k) To correct any references contained herein to provisions of the Act, the Code or other applicable provisions of law that have been amended so that the references herein are correct.

Section 9.2 Supplemental Indentures Requiring Consent of Registered Owners and Reserve Instrument Providers; Waivers and Consents by Registered Owners. Exclusive of Supplemental Indentures covered by Section 9.1 hereof and subject to the terms and provisions contained in this Section 9.2, and not otherwise, the Registered Owners of 66 2/3% in aggregate Principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained herein to the contrary notwithstanding, to (i) consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein or in any Supplemental Indenture, or (ii) waive or consent to the taking by the Issuer of any action prohibited, or the omission by the Issuer of the taking of any action required, by any of the provisions hereof or of any indenture supplemental hereto; provided, however, that nothing in this Section 9.2 contained shall permit or be construed as permitting (a) an extension of the date that a Principal Installment is due at maturity or mandatory redemption or

reduction in the Principal amount of, or reduction in the rate of or extension of the time of paying of interest on, or reduction of any premium payable on the redemption of, any Bond, without the consent of the Registered Owner of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any Fund established hereunder applicable to any Bonds without the consent of the Registered Owners of all the Bonds which would be affected by the action to be taken, or (c) a reduction in the aforesaid aggregate Principal amount of Bonds, the Registered Owners of which are required to consent to any such waiver or Supplemental Indenture, or (d) affect the rights of the Registered Owners of less than all Bonds then outstanding, without the consent of the Registered Owners of all the Bonds at the time Outstanding which would be affected by the action to be taken. In addition, no supplement hereto shall modify the rights, duties or immunities of the Trustee, without the written consent of the Trustee. If a Security Instrument or a Reserve Instrument is in effect with respect to any Series of Bonds Outstanding and if a proposed modification or amendment would affect such Series of Bonds, then, except as provided in Section 9.1, neither this Indenture nor any Supplemental Indenture with respect to such Series of Bonds shall be modified or amended at any time without the prior written consent of the related Security Instrument Issuer or Reserve Instrument Provider, as applicable.

If at any time the Issuer shall request the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section 9.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such Supplemental Indenture to be given by registered or certified mail to the Bondholder of each Bond shown by the list of Bondholders required by the terms of Section 2.6 hereof to be kept at the office of the Trustee. Such notices shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the principal office of the Trustee for inspection by all Bondholders. At the time such notices are mailed by the Trustee, the Issuer may, but is not required to, designate a reasonable time period for receipt of such consents and shall include such requirement in the notices sent to the Bondholders. If the Bondholders of not less than 66 2/3% in aggregate Principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such Supplemental Indenture as in this Article IX permitted and provided, the Indenture shall be and be deemed to be modified and amended in accordance therewith.

ARTICLE X

DISCHARGE OF INDENTURE

If the Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made, to or for the Registered Owners of the Bonds, the Principal of and interest due or to become due thereon at the times and in the manner stipulated therein, and shall pay or cause to be paid to the Trustee all sums of moneys due or to

become due according to the provisions hereof, and to all Security Instrument Issuers and all Reserve Instrument Providers all sums of money due or to become due according to the provisions of any Security Instrument Agreements, Reserve Instrument Agreements, as applicable, then these presents and the estate and rights hereby granted shall cease, terminate and be void, whereupon the Trustee shall cancel and discharge the lien hereof, and release, assign and deliver unto the Issuer any and all the estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee, held by the Trustee, or otherwise subject to the lien hereof, except moneys or securities held by the Trustee for the payment of the Principal of and interest on the Bonds, the payment of amounts pursuant to any Security Instrument Agreements or the payment of amounts pursuant to any Reserve Instrument Agreements.

Any Bond shall be deemed to be paid within the meaning of this Article X when payment of the Principal of such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided herein, or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided by irrevocably depositing with or for the benefit of the Trustee, in trust and irrevocably setting aside exclusively for such payment, (i) moneys sufficient to make such payment, or (ii) Direct Obligations, maturing as to Principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee, and any paying agent pertaining to the Bond with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits hereof, except for the purposes of any such payment from such moneys or Direct Obligations.

Notwithstanding the foregoing, in the case of Bonds, which by their terms may be redeemed prior to their stated maturity, no deposit under the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until the Issuer shall have given the Trustee, in form satisfactory to the Trustee, irrevocable instructions:

(a) stating the date when the Principal of each such Bond is to be paid, whether at maturity or on a redemption date (which shall be any redemption date permitted hereby);

(b) directing the Trustee to call for redemption pursuant hereto any Bonds to be redeemed prior to maturity pursuant to Article II above; and

(c) directing the Trustee to mail, as soon as practicable, in the manner prescribed by Article II hereof, a notice to the Registered Owners of such Bonds and to each related Security Instrument Issuer that the deposit required by this Article X has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Article X and stating the maturity or redemption date upon which moneys are to be available for the payment of the Principal or redemption price, if applicable, on said Bonds as specified in Article II.

Any moneys so deposited with the Trustee as provided in this Article X may at the direction of the Issuer also be invested and reinvested in Direct Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Direct Obligations in the hands of the Trustee pursuant to this Article X which is not required for the payment of the Bonds and interest thereon with respect to which such moneys shall have been so deposited, shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in that fund; provided, however, that before any excess moneys shall be deposited in the Bond Fund, the Trustee shall first obtain a written verification from a certified public accountant that the moneys remaining on deposit with the Trustee and invested in Direct Obligations after such transfer to the Bond Fund shall be sufficient in amount to pay Principal and interest on the Bonds when due and payable.

No such deposit under this Article X shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such deposit and use would not cause any tax-exempt Bonds to be treated as arbitrage bonds within the meaning of Sections 148 of the Code.

Notwithstanding any provision of any other Article hereof which may be contrary to the provisions of this Article X, all moneys or Direct Obligations set aside and held in trust pursuant to the provisions of this Article X for the payment of Bonds (including interest thereon) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or Direct Obligations have been so set aside in trust.

Anything in Article VIII hereof to the contrary notwithstanding, if moneys or Direct Obligations have been deposited or set aside with the Trustee pursuant to this Article X for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article X shall be made without the consent of the Registered Owner of each Bond affected thereby.

ARTICLE XI

Section 11.3 Severability. If any provision hereof shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or Sections herein contained, shall not affect the remaining portions hereof, or any part thereof.

Section 11.5 Trustee as Paying Agent and Registrar. Trustee is hereby designated and agrees to act as principal Paying Agent and Bond Registrar for and in respect to the Bonds.

Section 11.6 Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.8 Immunity of Officers and Directors. No recourse shall be had for the payment of the Principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement herein contained against any past, present or future officer, or other public official, employee, or agent of the Issuer.

Section 11.9 Payment Date Not a Business Day. If any date for the payment of Principal of or interest on the Bonds is not a Business Day, then such payment shall be due on the first Business Day thereafter and no interest shall accrue for the period between such date and such first Business Day thereafter.

Section 11.10 Effective Date. This Indenture shall become effective immediately.
