The Planning Commission, in its discretion, may request public input on these applications prior to acting on the application. If public input is requested, public comment will be limited to three minutes per person.

Greater Salt Lake Municipal Services District Planner Morgan Julian provided an analysis of the staff report.

Commissioners and staff discussed if the house and barn already existed. Ms. Julian said the house is, but she doesn't know if they have started on the barn. When seeking the conditional use, the health department has been contacted for the recommendation for 10 horses. All agents reviewing went through the plan and there isn't anything in writing from the health department and health department conditions for waste management. Horses are allowed in the water protection zone. Property owners should reach out to Herriman City, MSD should require this to be done before being approved.

PUBLIC PORTION OF MEETING OPENED

Speaker # 1: Applicant

Name: Riley and George Spargen

Address: 13688 Shaggy Mountain Road

Comments: Ms. Spargen said they were new residents and finished the lot and moved in a week ago. Horse lover and advocate and this is a dream property. No intention of boarding; these are personal horses, and she is a competitive barrel racer. Lifelong horse owner and will maintain the property. If questions of boarding, this is a hobby passion and wants ability to live here and have her horses. Rumors started, but these are personal use and on average 3 to 4 horses.
