2. Commissioners Present: Chairman Archie Walker, Commissioner Jim McGann, Commissioner Charlie Harrison
3. Staff Present: Chief T.J. Brewer, Emergency Coordinator/Battalion Chief Shea Walker, Administrator Cathy Bonde

B. Oath of Office:

1. Clerk Cathy Bonde administered the oath of office to all Commissioners.
2. Commissioners each signed a copy of the oath of office.

C. General Business:

1. Commissioner McGann motioned to approve minutes from the December 8, 2022 regular meeting. The motion was seconded by Commissioner Harrison and passed unanimously.
2. Commissioner McGann motioned to approve minutes from the February 8, 2023 special meeting. The motion was seconded by Commissioner Harrison and passed unanimously.
3. Citizens to be Heard – None were present.
4. Commissioner Harrison motioned to approve bills. Commissioner McGann seconded, and the motion passed unanimously.

D. Chief's Report

1. Chief Brewer attended multiple meetings including with the Utah Communications Authority, Joint Council of Fire Service Organization, NFPA 1403, and the Certification Council.

2. Moab Fire along with Pathway Associates met with Chris Baird to go over projected budgets and the length of time associated with the transition of expansion.
3. AES, the company Captain Luke McCandless works for, donated \$2,200.00 to purchase face piece protectors for our SCBAs. These face piece covers will help extend the longevity of our investment.
4. We are still waiting on Jimmy Foy to finish painting the FEPP truck.
5. Chief Brewer met with the Moab City Manager to discuss the possibility of having Station 2 and the property around it donated to the Fire District. It appears it would be a fairly easy process if the City Council approves the donation. There are currently no projects in the works by the City for that piece of property.
6. Employees have spent many days this month cleaning and organizing the bays. Chief Brewer invited Commissioners to view the progress if they have time.
7. Shea Walker submitted a grant for equipment for the new engine.

E. Old Business:

1. Annexation – Chief Brewer debriefed Commissioners on meetings with Pathway Associates and a meeting with Chris Baird of Grand County. A proposal was presented to Chris Baird, but there was some push back. After much staff discussion, an alternative proposal is being developed. Funding resources for the proposal have been identified within the County.

Commissioners discussed many aspects of annexation including issues with Thompson, obligation with the airport, ISO ratings, and relationship with public lands.

F. New Business:

1. Wildland Program – Chief Brewer presented a plan to re-institute the Wildland Program in relation to being prepared for District expansion. The District has a rare opportunity to hire Engine Bosses, and action needs to be taken to secure this opportunity. Chief Brewer explained how the program would integrate with our current staffing and that these new hires would be part of the request to the County for three years of funding as we transition into full annexation. Commissioners discussed the opportunity as well as the impacts, and there was general consensus that the District should act before the opportunity is no longer available. Chair Walker made a motion to move forward with acquiring two full time Engine Bosses and one full time red carded Firefighter in preparation for annexation. Commissioner Harrison seconded the motion, and it passed unanimously.
2. Job Descriptions – The Commissioners were presented with the current Grand County step and grade scale along with the District's 2020 step and grade scale which was based on the County's step and grade scale at the time. There was discussion on updating the District's step and grade as well as instituting a pay range per position. There was also discussion as to why previous methods set in place for increasing compensation were not sustainable.

G. Adjourn:

- 1. Chair Archie Walker adjourned the meeting at 5:25 p.m.
