I. Resident on Display - Candy display is currently up. Katie is not in attendance to update us currently.
II. 4800 Icons - The icons be installed within the next couple of weeks. Not everyone is going to know what these are, so it is proposed to discuss a way of letting the public know. Proposals were to put the information on the city website, the Murray Journal, a coloring contest distributed within the schools, distribute pamphlets, a scavenger hunt and a QR code as well as possibly a plaque with the artist's information.

III. Amphitheater update -

1. Season - The schedule for most of the season is ready to go. Lori would like to possibly open the season with Aladdin as a sing-along. It was suggested to form a committee to further this discussion. Celtic will be coming back to join us and there will be a cover band Lori believes in June.

2. Sound - Robert stated that we are still waiting on pricing and equipment from Poll Sound.

3. Ticket Prices - Lori proposed adjusting the amphitheater ticket prices for adults from \$10.00 to \$12.00 and child/senior tickets from \$8.00 to \$10.00. Kim spoke with Mayor Hales, who approved these price increases. Matt motioned to approve, and Lindsay seconded. All voted unanimously.

IV. Theater Update - Lori updated that the city continues working on getting the building permit. They are currently working with a group from NYC about the stage because there are some seating issues, and the Geotech survey showed that the water table is quite high, so this will need to be addressed as well.
