

Spring 2023 Pharmacy Legislative Session Update

Michael Kiley, PharmD Candidate
University of Utah College of Pharmacy
Michael.Kiley@pharm.utah.edu

March 28, 2023

Today's Agenda

Introduction: Background into this year's session and the speaker's insights.

Selected Bills: Various topics and legislation that impacts our profession

Open Discussion: Q/A, proposals or concerns

Recognition

- David C. Young, PharmD
 - University of Utah - Professor of Pharmacotherapy
- Jonathan W. Magness, PharmD
 - MagellanRx - VP, Medicare Part D Operations

Learning Objectives

- Describe the outcomes of the 2023 Utah Legislative Session
- Identify areas within pharmacy that are impacted by changes to Utah Laws
- Review Strategies to implement change within the practice of pharmacy to comply with new legislation

Impact of Pharmacy

- The “Impact to Pharmacy” scale is an easy way to visualize significant advancements or issues in Pharmacy. It is non-validated, and certainly biased.
