TO: Logan Municipal Council
FROM: Mayor H. Craig Petersen
DATE: March 18, 2014
RE: New Board Appointment

At the March 18, 2014 council meeting, I will request ratification of the following new appointment.

Forestry Board – Three Year Term

Norma Olsen – New Appointment

Thank you.

Norma Olsen

It's been a great life, growing up (and almost old) in Logan, taking advantage of the recreational and educational opportunities that this scenic mountain valley offers.

I attended Woodruff Elementary, Logan Junior High, and Logan High School. Even though I grew up only 7 blocks from my now husband, Herm, we didn't know each other until we were Aggies. Our early married years were spent in Salt Lake City, Ft. Defiance, Arizona and Alexandria, Virginia. We returned to Logan in 1980.

My "career" has been to raise our 7 children to be responsible and contributing adults, but I did work for several years in a Kitchen Design store and at Maya's Corner. While Herm provided for us financially, the children and I were able to volunteer many years at the Ronald V. Jensen Historical Farm and the Sunshine Terrace Day Care Center. For over twenty years I have taught workshops called "Cut the Crazy Out of Christmas." I have also had the privilege of singing with the American Festival Chorus since its inception. I currently serve on the Development Committee for the Choir.

Herm and I have 14 grandchildren and we will go to great lengths to visit them
