We live off Wasatch boulevard and appreciate the re-routing of ski traffic that has been done this season. However, every day that Little Cottonwood is closed, cars line up on the East bound lane of Danish road to turn left onto wasatch. Since they are also blocking the SB lane of wasatch boulevard and, sometimes, you are unable to go straight through the NB lane of wasatch & the 9400S intersection, Danish road is my main way to get back home and it is often blocked due to ski traffic sitting in the lane for hours. I have no problem with moving traffic - but I've seen cars sitting on Danish for hours. If we could ensure they don't block that road to allow us on the slightly western offshoot of wasatch access, that'd be great. Thank you!

Please note: To be considerate of everyone, public comments will typically be limited to *three minutes per person* per item. A spokesperson who has been asked by a *group to summarize their concerns will be allowed five minutes to speak*. Comments should be submitted in writing to the City Recorder prior to 4 p.m. the day of the meeting.
