You can also dial 173.243.2.68 and enter your meeting number.

The purpose of the hearing is to receive public comments regarding:

- **OAM2022-000715 – Public Hearing on Drafted Dark Sky Ordinance.** Emigration Canyon Planning Commission will be holding a public hearing to hear public comments on recommended amendments to the Emigration Canyon Municipal Code: 19.73.110 Night Lighting. The proposed ordinance language updates will update the existing language within the Municipal Code as a subsection of the current Chapter 19.73 Foothills and Canyons Site Development and Design Standards. Addressing Night Lighting Standards was identified as an action item from the 2021 Emigration Canyon General Plan. They are intended to help maintain the rural atmosphere and community character of the Metro Township, protect ecological conditions and nocturnal wildlife within the Metro Township, maintain nighttime safety, utility, and security, and encourage lighting practices that promote energy conservation. **Planner:** Matt Starley (Motion/Voting)

The Planning Commission will act on the proposed public hearing items after taking comments from the public during the public hearing. The public is also invited to review and inspect the proposed amendment at <https://www.utah.gov/pmn/index.html>.

You may also obtain copies of the draft Ordinance Amendment and submit written comments prior to the public hearing by contacting Wendy Gurr at wgurr@msd.utah.gov or (385) 468-6707. Individuals needing special accommodations (including ancillary communicative aids and services) during this public hearing should contact Ms. Gurr three days before the public hearing.
