

**Salina Elementary School
Community Council Meeting
Wednesday, January 8, 2014
3:00 p.m.**

Minutes from Community Council Meeting:

Those in attendance: Mindy Thurston, Cena Rasmussen, Danielle Bosshardt, Tia Lund, Lisa Huntsman, K'Brina Colby, Greg Harwood and Nolan Andersen

Minutes were read and approved by all committee members present.

The current trust land budget was discussed and how this year's money was being spent in relation to the school plan and goals. Next years plan was discussed in relation to this school year and what the schools needs would be.

Mrs. Bosshardt shared with the council how our school is using the NWEA data in 5th grade. She also explained to the council how we use our RIT instruction to differentiate and reach all students in helping them all be successful.

Mrs. Lund then talked to the council about how the first grade is using lexile numbers and using them to help with setting up and using their new reading program. This allows teachers to help in differentiating their instruction and reaching all levels of students.

Mrs. Dobish was not in attendance but had asked to visit with the council about helping with the next upcoming reading assembly. The theme was Reading Dynasty based off of the show Duck Dynasty. Everyone in attendance mentioned they would love to help out where needed in any way they could.

Mr. Andersen introduced Greg Harwood to the council and explained some of the things he was doing here at Salina Elementary as the new School Resource Officer. Greg is the SRO for all three schools in the North Sevier attendance area. Safety concerns were discussed and Mr. Andersen thanked Greg for his service.
