# HOUSING & **Community** DEVELOPMENT

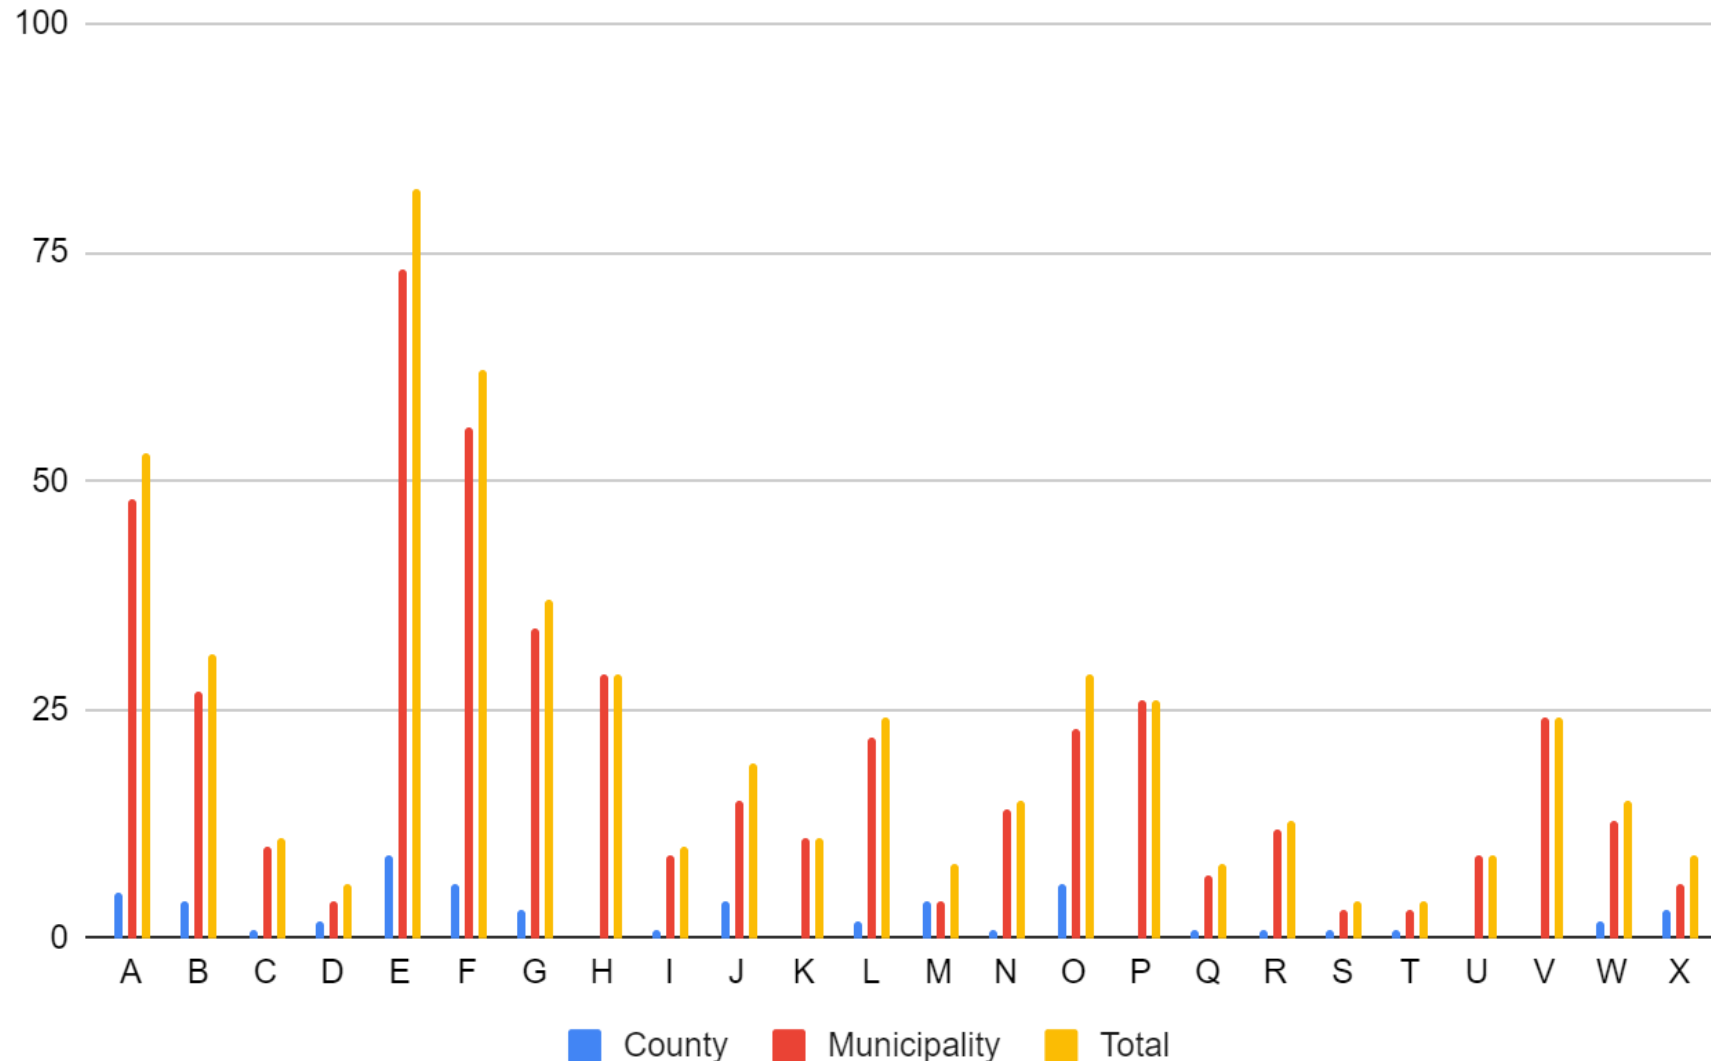

# Final Compliance Status

	Compliant Priority	Compliant	Not Compliant (Ineligible)
<b>County</b>	4	5	0
<b>Municipality</b>	52	31	2
<b>Total</b>	56	36	2

# Count of Strategies Selected

# Share of Strategies Selected

# Most Frequently Selected Strategies

Cities	Counties	Total
E	E	E
F	F	F
A	O	A

# Takeaways

---

Technical assistance was a benefit to communities.

---

Communities identify challenges identifying ADUs.

---

Cities with no current SAP requirements are coordinating with neighbors or planning for future stations.

---

Program development strategies describe coordination, funding and incentives, research and data, and implementation.

---

Zone and rezone strategies are difficult to timeline.

---
