A. Welcome, Roll Call, and Introduction: Laura Gaillard

B. Minute Approval

B.1. January, February and March Minutes: Approved by Jason McGuire second motion by Janis McClellan

C. New Business:

C.1. Welcome Jason Yeaman- Welcomed Jason to Arts Council and gave him an overview of Arts Council and upcoming things from now until July.

C.2 Art Show hot wash/ideas for next year- If possible, we need better lighting on the stage. We need to add some chairs in the auditorium. We plan to get a second set of ribbons to keep on the art, so Artists can keep the one we give them. Judging for the show needs to be finished on Friday, so that Tiffany has the results Monday morning. The amount of art was manageable, we had 125 pieces, we will limit it again next year with a wait list. Set up and flow was great and ADA accessible. Need to add a mixed media category. Split youth into two different groups, the senior category had mixed feelings, some like it some do not.

C.2 Utility Boxes from Art Show- Four pieces were chosen for future utility box wraps. Laura will send Tiffany the pictures of them. Tiffany will talk to the artists at the Art Show pick to see if they are interested.

C.3. Daybreak Tunnel- We talked about the idea of sponsoring the \$1,000 resurface cost of the Daybreak tunnel. Arts Council decided they did not want to do this and would rather collaborate with Daybreak on a different community event or project at a later date that we can add into our budget.

C.4. SoJo Summerfest Poster- We looked over the entries for the poster contest and chose the 1st, 2nd and 3rd place winners. Tiffany will contact the winner and will work with her for getting the final Artwork.

C.6. Art Swap idea- Jason McGuire- Jason went over the Art Swap idea. The thought was to hold the event possibly at public safety; it would be a mock-tail type event with finger foods, held on a Friday or Saturday night. Each of the registered Artists would bring a piece of their artwork unframed, in a specified size. At the event, each Artist would get a numbered ticket, and according to that ticket, they would pick another piece of artwork to take home. We will look into adding this event in the next budget year.

D. Unfinished Business

D.1. Quilt Show- Judging/ Set-up- Set up will be Friday at noon and the Judging will be Saturday May 6, if any arts council members are available to help at either please email Tiffany.

D.2. Arts Master Plan booth- May 6- We need some help if any arts council members are available, we need two people from 10-3pm. Kelly said she would be able to be there. If anyone else is available, please email Tiffany.

Misc. Items- Laura brought up that Arts Council would like to have an A- Frame out at events that lets people know about the round it up program. Tiffany will make that before Art on the Towne.

Meeting Adjourned: Jason McGuire motioned adjourn and Janis McClellan, seconded.
