Minutes:

Jennifer Bruno gave a brief introduction to the proposal.

* **Sarah Woolsey** comments moved to the General Comment section. **

En Canada encouraged the Council to move funding from areas that did not create revenue, such as golf, to areas that supported the needs of the citizens of the City, defund the police, separate the social workers working with the police to a new department of peace.

Christopher Butler spoke in opposition to funding the police; need to move social workers out of the police department, should not be funding grant programs if the programs could not be funded after the grants were completed.

Jim Webster spoke to the former use of a Mayor's Advisory Committee which reviewed the budget, Steiner Aquatic Center needed to be maintained, County services such as animal control were not effective, street repairs were not happening on the east bench where most of the City's tax dollars were being generated.

William Boren reviewed the percentage of budget increases for the City's departments and expenses that were not necessary; people of the City were being taxed and over charged and the Council should look at cutting budgets and expenses (not overspending).

George Chapman spoke to the need to discuss the completed draft budget, the tax increase was not necessary, the City was spending too much money, increasing fees for summer use of parks was not appropriate, he was against the library recruiting outside for a library director, the need for more police officers, CIP for traffic calming was necessary, and no need to reduce the solar panel program.

Margaret Holloway spoke to the lack of care for trees and landscaping throughout the City; should add artwork or cement in these areas to reduce water usage, there was not enough water to support the additional trees being planted.

Carlton Christensen thanked the Mayor for the proposal to update the roads in the cemetery, public infrastructure for the cemetery was necessary and the master plan was a step in the right direction.

Jen Colby stated the good landlord program discount was unjustified and required re-evaluation, was un-supportive of the golf enterprise fund, suggested more money be added to safe/complete streets and creation of a department of peace.

Ralph Becker spoke to the need for a park in the Northwest part of downtown and the options to fund and approve one.

Ann Hanniball spoke in support of updates to the cemetery roads and the irrigation.

AND REDEVELOPMENT AGENCY

Kasey O’Conner spoke in opposition to increased staffing and spending instead of taxing the residents of Salt Lake City.

Cindy Cromer spoke to the need to protect the character of the City registered districts, building statuses had changed which now made them available to receive tax credits and asked the Council to support the funding for the registered districts surveys.

Dave Iltis requested an increase to the budget for transportation planning, more needed to be done to keep pedestrians and bike users safe, sales tax increase was not necessary, RDA project area on State Street was not appropriate, and suggested increasing funding for road signage.

MJ Powell spoke to the importance of the My Brother’s Keeper program, thanked Mayor Mendenhall for including it in the budget and asked for the program duration be extended; diversify the police force with training and programs.

Council Member Mano thanked everyone in attendance for being involved in the process.

Motion:

Moved by Council Member Mano, seconded by Council Member Dugan to close the public hearing and refer the item to a future date for action.

AYE: Amy Fowler, Ana Valdemoros, Chris Wharton, Daniel Dugan, Darin Mano, Alejandro Puy, Victoria Petro

Final Result: 7 – 0 Pass

H. POTENTIAL ACTION ITEMS:

1. **Ordinance: Zoning Map Amendment at Western Gardens 550 South 600 East**

The Council will consider adopting an ordinance that would amend the zoning of the property located at 550 South 600 East Street from CN (Neighborhood Commercial District) to FB-UN2 (Form Based Urban Neighborhood District). The parcel is currently occupied by the Western Gardens commercial center. This proposal would facilitate redevelopment of this parcel into a multifamily residential project. The zoning map amendment does not require an amendment to the Central Community Master Plan. Consideration may be given to rezoning the property to another zoning district with similar characteristics. Petition No.: PLNPCM2021-00420
