

Staff Report

Coalville City
Community Development Director

To: Coalville City Planning Commission
From: Don Sargent, Community Development Director
Date of Meeting: November 21, 2022
Re: Zoning Map Updates
Action: Continued Work Session

Zoning Map Updates

REQUEST: Continue the review and discussion of updates to the Zoning Map. This item is scheduled for a work session to identify and discuss needed updates to the zone map districts (public comment will be taken at a future noticed public hearing). No action is requested at this time.

BACKGROUND: The City Council directed Staff and the Planning Commission to address updates to the City Zoning Map.

Attachment A includes the Zoning Map with updated changes shown to date.

ANALYSIS: As identified and discussed with review of development applications, several zone districts of the City Zoning Map appear to be out of date and need to be revised consistent with the development code, surrounding county zoned properties, and the general direction of City growth and development. The last update to the zoning map was in 2019 with the addition of the Wohali annexation property. Prior to that, the zoning map has not been updated since 2008.

The Planning Commission directed Staff to address the following with the zone map updates:

- 1. Show a commercial overlay zone from the north city limit line to the Escapod manufacturing facility to the south and east off the Main Street corridor (completed).*
- 2. Draft overlay zone provisions that can be included in the development code (attached).*
- 3. identify all public properties (city, county, school, state) on the zoning map (completed).*
- 4. Clean-up the draft of the city future land use map with GIS shade files (in process).*

RECOMMENDATION: Staff recommends the Planning Commission continue the review and discussion of the zoning map, the draft Mixed-Use Overlay provisions, identify additional needed updates, and provide Staff direction for preparation of a public hearing.

Chapter 18

MIXED-USE OVERLAY

10-18-010: Purpose, Scope, and Objectives

10-18-020: Review and Approval Process

10-18-010: PURPOSE, SCOPE, AND OBJECTIVES

The Mixed-Use Overlay Zone is intended to incentivize cooperation and community design flexibility to establish and revitalize commercial and housing opportunities in Coalville City.

The aim of the Mixed-Use Overlay Zone is to create a comprehensive, community-specific land use and design strategy to address community needs, including but not limited to:

- A. Construction of cost-efficient public and/or private infrastructure (streets, water, and wastewater).
- B. A range of housing opportunities.
- C. Space for local start-up businesses and live-work space.
- D. Local employment opportunities.
- E. Access to:
 - 1. Local shopping,
 - 2. Cafes and restaurants,
 - 3. Offices,
 - 4. Service commercial and light industrial uses,
 - 5. Civic and institutional uses, and
 - 6. Local and regional public transportation.

10-18-020: REVIEW AND APPROVAL PROCESS

The Mixed-Use Overlay Review and Approval Process for a proposed development application includes the following steps:

- A. Initiation: The Mixed-Use Overlay process shall be initiated by the filing of a complete application with Coalville City pursuant to section 10-3-030: General Application Requirements of this title.
- B. Mixed-Use Development Overlay Area Boundary: An initial Mixed-Use Development Overlay area boundary shall be proposed by the applicant(s) and reviewed by the City Council for a determination of initial acceptance. The area boundary may be subsequently modified during the process of developing a plan; however, the area boundary shall not be modified by more than twenty percent (25%) without the review by the City Council.

C. Creation of a Mixed-Use Overlay Plan and Zoning Districts:

1. **Mixed-Use Overlay Review by Planning Commission:** Upon a determination of initial acceptance of a Mixed-Use Overlay area boundary, the City Council shall refer the proposed Mixed-Use Overlay application to the Planning Commission for the specific purpose of developing a proposed plan and zoning districts for the boundary area.
2. **Mixed-Use Overlay Plan And Zoning Districts:** The Planning Commission shall review the applicants proposed development plan and apply the following criteria for the proposed plan and zoning districts:
 - a. **Land Uses:** A mix of residential uses may be considered, including detached single-family, attached single-family, and multi-family. Mixed-use land-uses may also be considered, including residential, commercial, service commercial, and light industrial.
 - b. **Density:** A proposed zoning district densities shall be based upon sufficient access, circulation, connectivity, water, and wastewater infrastructure.
 - c. **Development Standards:** Requirements for development, including but not limited to minimum lot sizes, building height, setbacks, parking, streets and circulation, community/civic space, and infrastructure.
 - d. **Infrastructure:** Infrastructure implementation including financing and phasing.

D. Planning Commission Recommendation: Upon the development plan and zoning districts review per Chapter 3 of this title, and subject to review of the Master Planned Development (MPD) requirements in Chapter 6 and the Zoning Map and Text Amendment requirements in Section 10-3-080 of this title, the Planning Commission shall conduct a public hearing for a recommendation to the City Council.**E. City Council Review and Action:** The City Council shall review, conduct a public hearing, and take final action on a Mixed-Use Overlay Zone plan and zoning districts pursuant to Chapter 3 of this title. Final action shall include a Council decision to amend the Coalville City General Plan by adding the Mixed-Use Overlay plan to the General Plan and amending the Coalville City Zoning Map to include any new zoning districts intended to implement the plan.
