COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PUBLIC HEARING:

Mayor Travis LeFevre opened the second public hearing for the CDBG program. Mayor LeFevre stated that this hearing was called to allow all citizens to provide input concerning the project that was awarded under the 2023. Community Development Block Grant Program. The city has amended its capital investment plan and decided to apply for funds on behalf of the Park Improvements at Tropic Town Park. The Mayor introduced Dani Harding from the Park Improvements. The Mayor explained that the application was successful in the regional rating and ranking process and Tropic Town Park Improvements and Grant Award Amount of \$350,000.00 and total project 1.8 million dollars).

The Mayor explained the project to those in attendance. The Mayor then asked for any comments, questions and concerns from the audience.

Comment came from Mr Chynoweth who stated he would like to see a new playground but not made of wood to prevent slivers and injuries. Mrs. Brinkerhoff had a question if we could figure out a plan or layout of the park. The Mayor indicated that we have looked and determined where we want the playground etc placed and that we would be sure to not get one made of wood. . Cami had another question about the existing splash pad, and that businesses invested money into it and she wanted to know what would become of it. The mayor stated that the splash pad would be removed because it has a lot of issues regarding health regulations. Mrs. Bybee stated that she would like to see the playground take precedence to the rest of the town improvements. The Mayor stated that we would talk to engineers about putting in the playground first and make sure that it makes sense with the construction of a pavilion as well.

The Mayor stated that copies of the capital investment plan are available if anyone would like a copy.

There were no more comments and the hearing was adjourned at 6:29.
