Open the Meeting

1. Kelly Johnson opened the meeting at 14:00.
 - a. General Business
 - i. New Handouts available on the website that Kelly put together for informational purposes. The first handout goes over the HazMat Labeling System Info. The second goes over Tier II reporting basics. Both are available to download on our website @ lepc.utahcounty.gov.
 - ii. Commodities Flow Study - We haven't done one in about 5 years, looking to try and get one done for Utah County again soon. Kelly Johnson was able to get some information from Union Pacific on commodities transported by rail through Utah County - this is not public information, it was given to the LEPC for responding entities to utilize as appropriate and required. This report will be kept in a secure location.
2. Welcome & Introductions

General Meeting Items

1. Review & Approve Meeting Minutes - March 16, 2023
 - a. Dave Ulibarri motioned to approve the March 16, 2023 minutes. Motion was seconded. All were in favor and the motion passed unanimously.
2. General LEPC Business
 - a. Ad-hoc Committee Update
 - i. This committee was put together to come up with ways to help new members understand what LEPC is.
 - ii. Membership Form - the form has been updated so that it is easier to use. If you are new or have not filled one out, please do and send it to Kelly or

Allison. We used to fill these out every year, but it is currently only required to do it once.

- iii. Created a Welcome Brochure - Includes info on what LEPC is, why it exists, Tier II reporting and requirements, who to contact when there is a spill, above ground storage tanks, the LEPC website, and frequently asked questions.
- iv. Look over these things as if you were brand new and knew nothing about LEPC. Suggestions are welcome.
- v. A huge thank you to all of those who volunteered to help with this and their hard work!

- 3. Action Items
 - a. None
