Who We Are

- Alex Rudowski - Grading, Floodplain, & Stormwater Manager
- Mike George - Building Grading Review Specialist
- Brianna Ariotti - SWPPP Grading Stormwater Inspector
- Tiffany Bork - Permitting & Licensing Technician

What We Do

- Grading review for land use applications
- SWPPP construction inspections
- Post construction SWMA inspections/Coordinations
- Floodplain development permits

Our Values

Promote a teamwork environment that fosters innovation, improves water quality, promotes responsible development, and reduces impacts of the built environment on our ecosystems.

Our Mission

We are a team striving to provide timely plan review, ensure complete MS4 compliance and comprehensive floodplain development review that reflects the values of our member communities

Our Goals

- Build and maintain positive working relationships with local, state, and federal oversight agencies
- Establish regular training sessions with both internal SMEs and within our partner agencies
- Evaluate our workflow systems for effectiveness
- Define and measure our progress
- Improve transparency of work
- Work with member communities to evaluate their needs with respect to floodplain ordinances and the stormwater management plan
