Local Agency is responsible for the schedule of the project. If the project cannot progress as programmed, the responsible programming agency may advance other projects and require the project to wait for next available funding.

3. The failure of a party to insist upon strict performance of any provisions of this Agreement shall not be construed as a waiver for future purposes with respect to any such provision or portion. No provision of this Agreement shall be waived unless such waiver is in writing and signed by the party alleged to have waived its rights.
4. Each undersigned represents and warrants that each has been duly authorized for all necessary action, as appropriate, to execute this Agreement for and on behalf of the respective parties.
5. The parties shall not, by this Agreement nor by any act of either party, be deemed principal and agent, limited or general partners, joint ventures or to have any other similar relationship to each other in the conduct of their entities.
