RUSSELL C. HOLMES, PRINCIPAL • TROY COIL, VICE PRINCIPAL
JERRY BECK, COUNSELOR

Dear School Board Members:

I am writing this letter to request an exemption for the requirements of our Community Council. The law states we are required to have six parents and four staff to represent our school. Due to our demographics and school size we would like to file an exemption. We are requesting the approval to have four parents and two staff of which we already meet this guideline.

Thank you for your consideration of this matter.
