Councilmember Ludwinski reminded all in attendance that the Council is bound by State law and Trenton laws that are already in place. She also stated that the laws could be changed but would need to be done following the proper procedures.

7:05- Rod Hammer Cache County Fire Chief

County Fire Chief Rod Hammer commended the Trenton Fire Department on the excellent service that they have given the County in the last few months. He presented them with a letter of commendation for their role in the recent house explosion.

7:15-Lance Kingston- Trenton Town Fire Chief, presentation on status of department

Fire Chief Kingston explained that he was in attendance to share some of the recent occurrences that have happened in Trenton. He shared the call with Gary Riddle when he was hit by a train in January. Mr. Riddle thanked the Fire/EMS Department for their role in saving his life. Fire Chief Kingston asked that a fire board to be reestablished. He stated that he remembered the board having 3 members plus a representative from the Council. Fire Chief Kingston introduced all the members of the department that were in attendance at the meeting tonight and thanked them for all their service. Mayor Payne asked if Trenton is still on schedule to have an ambulance in town as part of the EMS department. Mayor Payne thanked the fire department for all that they do.

Cemetery Ordinance/ rules and regulations discussion

Kris Merrill discussed a crypt and shared pictures of possible crypts. The Council noted that crypts are a larger size than a regular casket would be. Mayor Payne discussed designating one spot of cemetery to be a specific area for crypts. COUNCILMEMBER KINGSTON MOVED TO EXPAND THE CEMETERY TO ALLOW FOR CRYPTS IN THAT AREA WITH COUNCILMEMBER LUDWINSKI

SECONDING THE MOTION AND ALL COUNCILMEMBERS IN ATTENDANCE VOTING AYE. Mayor Payne was going to look into the designation, and come up with additional guidelines and options for how to make it work.

Discussion on water efficient landscaping ordinance

The Council felt that this was not applicable to Trenton and determined to not participate.

Discussion on status of moving water meter to different property- Tom Griffin

The two type of meters were discussed. The Council pointed out that there are residential and stock watering meters. The Council discussed if Tom Griffin's meter was a stock water meter or a residential meter. Mr. Griffin asked if he could move the meter as a residential meter and with the agreement that the house be torn down prior to the hook-up being installed. COUNCILMEMBER LUDWINSKI MOVED TO GO INTO EXECUTIVE SESSION. THERE WAS NO SECOND, THE MOTION FAILED. The Council discussed the issue. Councilmember Kingston discussed approving the move and with Councilmember Ludwinski signing the Zoning Clearance with the agreement that the meter is not turned on before the house is torn down. Mayor Payne, Councilmember Ludwinski and Councilmember Kingston all agreed that this is a workable plan and Councilmember Merrill disagreeing.

Discussion regarding extending deadlines for water connection timeline-Councilmember Kingston

Councilmember Kingston discussed changing the timeline for a house in conjunction with the water hook-up deadlines. The Council discussed the change and felt good about allowing for 240 days to get a building permit after obtaining a Zoning Ordinance instead of 120 days. The Council determined to review the change at next month's meeting.
