#### **SECTION 1. *This section being revised.***

#### **Chapter 9.07**

#### **EMPLOYEE TRAVEL**

##### **Sections:**

**9.07.010      Purpose.**

**9.07.020      Policy.**

*(Amended 07/05/07, Resolution No. 2007-08)*

*(Revised 10/17/14, Resolution No. 2014-22)*

##### **Section 9.07.010      Purpose.**

Certain travel by Uintah Animal Control and Shelter Special Service District employees is necessary and useful for the accomplishment of District functions. It is the purpose of this regulation to provide reasonable systematic means by which the cost of such travel may be estimated for budget purposes and controlled for the purposes of economy and efficiency.

##### **Section 9.07.202      Policy.**

All travel and lodging expenses incurred by District employees shall first be authorized by the employee's Department Head. Travel expenses must be included in the intent of the annual budget for each department anticipating travel. Responsibility for keeping within the travel budget lies with the Department Head. All travel that is not routine is to be reviewed and approved by the Executive Director before funds may be spent. The most economical and practical form of transportation is to be used, and the

Department Head or designated employee will be responsible for making travel arrangements on an approved carrier.

- A. Travel with Spouses. Employees may wish to take their spouses on trips. In such instances, however, the District will pay only for those expenses which the employee would normally incur when traveling alone. Expenses for the spouse will be paid by the employee either at the time the expense is incurred or prior to the expense being incurred.
- B. Procedure. Employees will submit to the Department Head a “Travel Expense & Authorization” form explaining the nature, purpose and time schedule for travel, along with estimated expenditures. The Department Head will review the travel expense & authorization form and, after approval, will submit the requisition to the contracted Finance Office at least two (2) weeks prior to the date of the departure, where possible.
- C. Department Head Travel. Department Heads intending to travel should include in the travel & expense authorization form the name of the person to be in charge of the department during their absence.

Hello Tina Williams,

The Utah Legislature created a three-year pilot program as part of [HB 105](#) which expands the LTD coverage of mental disability. Currently, LTD benefits end after two years for those with a mental disability.

Here's what the expansion means and what you need to do:

- Employees with a mental disability who complete their first two years of disability benefits during the three-year pilot period may continue receiving disability benefits beyond two years when they are unable to work in any occupation.
- The pilot program increases your LTD premium rate from .5% to .68% of an eligible employee's salary from July 1, 2023 - July 30, 2026.
- You need to indicate whether you want to participate in the pilot program or maintain your current LTD benefit by opting out.

You have a one-time election to participate in the pilot program:

- Please fill out this [election form](#) and return to me via email **by May 12, 2023**.
- If you opt-out of the pilot program, you also need to fill out this [Amendment form](#) and return with your election form.

### **A note about the rate change**

If you don't opt-out of this pilot, payment for coverage starting July 1, 2023, must be at the higher amount of .68%. Failure to make an election or pay this amount may be treated as a waiver of your right to participate. If you opt into the pilot program, PEHP will send you a revised LTD Premium form with the new rate.
