Public Hearing/Resolution: Adopting the Special Services Lighting District of the City of Orem FY 2023-2024 Tentative Budget

Mr. Nelson explained that the fees charged for street lighting on the Orem utility bill goes into this fund to pay off the bonds and to continue to install street lights throughout the city. The bonds have been paid off and now the streetlight fee pays for the maintenance of the streetlight. The current streetlight fee is less than the fee that was charged while paying off the bonds. Mr. Tschirki reported there is one more phase and then the city will have all the street lights installed.

Public Hearing opened at 7:29 pm
