

Parks & Recreation Commission March 2023

Vision

The Parks and Recreation Commission Vision is to enhance the emotional, social, and physical quality of life for our residents through a variety of exceptional parks and recreation experiences and services.

Mission Statement

Our commission mission is to enrich our community with elite parks and recreation experiences. Providing beautiful places and opportunities for social interaction will bind our community together.

Goals

Closer integration with the operations of the parks and recreation department.

Community Involvement and feedback

- Commission members should take advantage of all available opportunities to speak with individuals or groups within the community for feedback. Feedback received will be reported during the scheduled commission meetings.
- Encourage city residents to get outside and take advantage of our local parks and playgrounds with their families. The commission will plan and execute one (1) pop-up park event to encourage residents to explore the featured park and opportunities available.

Appreciation for staff members making a positive impact for Clearfield.

- Commissioner(s) will receive a nomination from a different department supervisor/manager each month.
- Commissioner(s) will visit the recognized staff member "on the job", present their award and gift, take a picture.
- Commissioner(s) will write an announcement for marketing to use in social/traditional media (Facebook, Clearfield Connection, etc.)
- Commissioner(s) will solicit donations from the community to be used as gifts for monthly Award of Excellence recipients.
- Commissioner(s) will invite award recipients to City Council meeting the following month to be recognized publicly (accompanied and presented by a Parks and Recreation Commissioner)
