**Draft updated June 19, 2023**

## **Summary:**

This is a writeup of the details of the Proposed Adopted Budget for the 2023/2024 budget with highlights of changes from the Tentative Budget for the 2022/2023 budget year that is being presented to you for discussion. We have utilized the 5-year plan developed over the past year to guide us in development of the budget along with direction provided at the January City Council retreat and by the Benefits/Compensation and Budget Committees as well as the formal budget discussion from recent City Council meetings.

## **General Fund**

### **Fund Balance**

We have recently updated our projections for the 2022/2023 budget in both revenues and expenses to attempt to estimate our fund balance projections for June 30, 2023. This process included a detailed analysis of each division expenditures broken out between personnel and operational costs as well as a monthly analysis of revenues with projections to year end values. Early projections of our General Fund ending fund balance for the 2022/2023 budget are \$8,098,205 which reflects a decrease of \$1,229,039 over the beginning fund balance which is \$1,020,500 better than our current year adopted budget. The \$8,098,205 would represent 31.1% of our 2022/2023 budgeted revenues. We are required by state statute to hold 5% (\$1,303,757) and an additional \$260,751 by City Ordinance @ 6% (\$1,564,508). In addition, there is a reserve for Compensated Absences (PTO/Vacation) that is booked at about \$660,343 each year. That would leave approximately \$5,873,354 available for appropriation at the beginning of our new 2023/2024 budget year.

### **Revenues**

Tax Revenue changes built into the budget (from the current year original adopted budget) include:

- Property Taxes are budgeted at \$8,234,829 which includes a new growth of \$39,626. The certified tax rate will decline from the 2022 tax year rate of .001442 to the 2023 tax year rate of .001422. Details of this rate are shared in the screenshot following this bullet point. This growth comes as new structures are built or as unfinished basements are finished.

- In 2021/2022 we received \$8,755,627 in Sales Tax revenues and in the current year we are anticipating approximately \$9,200,000 in 2022/2023. Based on this growth trend but allowing for some caution when it comes to future projections, we are going to estimate \$9,500,000 for our 2023/2024 budget year which is a \$300,000 increase over what we project in 2022/2023.
- County Option Highway Sales Tax is budgeted at \$800,000 which is about \$20,000 more than we received in 2021/2022 and is \$150,000 more than our 2022/2023 budget.
- Energy Use Tax built into the budget is \$2,300,000 which is \$100,000 more than our current budget. This is similar to our current year projections.
- Fee in Lieu of Property Tax (Vehicles) built into the budget is \$300,000 which is a reduction of \$125,000 from our current year budget. This matches to our current projections.
- Franchise Taxes (Cable TV) built into the budget is \$300,000 which is the same as our current budget. This matches to our current projections.
- Transient Room Tax is budgeted at \$175,000 which is an increase of \$75,000 over the current budget. This matches to our current projections.
- Telecom Franchise Tax was considered, but not recommended for this budget. It is anticipated that this would generate approximately \$300,000 annually.
  - All of these tax type revenue changes total a \$939,626 increase over current year budget which is 4.5% in overall increase predominantly influenced by the \$700,000 increase in Sales Tax revenues, \$100,000 increase in Energy Use Tax, \$150,000 in County Option Highway Sales Tax, \$75,000 in Transient Room Tax, \$39,626 in Property Tax, less a reduction of \$125,000 in Fee in Lieu of Property Tax.

## Other Revenue changes (from the current year original adopted budget):

- Class C Road funds is budgeted at \$1,400,000 which is an increase of \$150,000 to be more in line with what we are seeing reflected for the current budget year and what we have seen since the 2021/2022 fiscal year trends.
- We have also removed the budget for the last payment of \$2,002,670 in the American Rescue Plan Act State and Local Fiscal Recovery Funds grant from the Federal Government as this was received completely in prior years.
- An increase of \$250,000 in Interest Revenue due to increased interest rates.

- An increase of **\$11,000 in revenue for tree sales**. This will be offset with \$11,000 in Expenses.

Total revenues budgeted are \$25,303,205 which represents decreases of \$652,044 (from the current 2022/2023 original adopted budget) or 2.5% overall reduction. Taking out the American Rescue Plan Act funds the overall increase is \$1,350,626 from the 2022/2023 original adopted budget or a 5.6% increase.

## **Expenditures**

Overall expenditures have been kept in line with our current 5-year plan with any exceptions reviewed with the Budget Committee. Explanations of individual changes are outlined below:

### **Employee cost changes include (and have been reviewed with the Compensation Subcommittee):**

- Market – There is a market adjustment that is included at a cost of \$92,077.
- COLA – The current **COLA is included at 3.5%**. The overall impact of this is **\$352,972**. This would be applicable to all employees who are not out of range.
- Merit – The current recommended Merit would average 3.62% or 1 step in the new salary structure for all employees not at the maximum step. When all employees are considered the average is 2.5%. This is to recognize the growth, knowledge, and longevity of those who are not yet at the top of their range. The overall impact of this is about **\$224,191**.
- Health cost increase of 6% – The initial proposed increase was 11.2% resulting in a \$105,000 increase. We pushed back on this large increase and were able to negotiate to lower the amount. The lowest we could get with keeping the out-of-pocket maximum and deductible cost for employees the same is 6%. The overall impact of this increase is \$56,864. Dental cost has no change. This is due to reduced utilization by employees for the past year.
- Utah Retirement Systems (URS) – URS has no proposed changes.
- Year over Year annualization of current employee base shows a savings of \$199,996 over what was budgeted in the current year.
  - Total employee cost changes results in an increase of \$526,108 from the current budget.

### **Other Department or Division items that have impact on the recommendation would include:**

There were many requests evaluated and discussed during the budget process. Some requests were proposed to be funded, and some were not. When the option was available, costs were reduced to make room for recommended cost increases. Recommended cost changes that were not able to be offset by cost reductions are outlined below.

- Elections – We have biannual city elections. We need to add \$40,000 to cover the city elections this next budget year.
- City Attorney – cost increase of **\$8,000** for an inflationary increase that is tied to the COLA implemented.
- Cottonwood Heights Recreation contributions – reduction of \$60,000 for pickleball court lighting from the prior year offset by \$62,000 for our share of playground equipment upgrades and \$60,000 for tennis court refinishing.
- Mayor and Council –
  - Reduction of \$12,000 for topical surveys to be performed.
  - Reduction of \$15,000 for a road and traffic study to be performed by the Central Wasatch Commission.
- City Manager –
  - **\$23,000** to cover liability insurance premium increases.
- Finance & IT – cost increase of \$34,000:
  - Add in \$4,000 for ESRI/GIS License upgrade for CED.
  - Add in \$30,000 for a Server for Police historical Spillman records currently residing at VECC.
- City Hall Maintenance – No changes were recommended.

- Community and Economic Development (CED) cost increase of \$26,000:
  - \$15,000 increase in Community Renewable Energy program noticing costs.
  - \$11,000 increase for a community tree sale event. This is offset by revenue of \$11,000.
- Overall Police cost increase of \$94,050:
  - Butlerville Day's overtime for the third day of the event \$5,000.
  - VECC/Versaterm dispatch fees increase \$5,050.
  - AT&T Fleet tracking subscription \$8,000.
  - Postage for evidence transportation \$400.
  - Radio replacement funds \$50,000.
  - FARO mapping subscription \$5,600.
  - FLOCK Camera System (License Plate Recognition) \$20,000.
- Ordinance Enforcement increase of \$5,000:
  - Summer Ordinance and Animal Control weekend call out overtime \$2,000.
  - Overtime for evenings and weekends overtime \$3,000.
- Fire increase of \$212,275.
- Public Works changes increase of \$111,950:
  - Add a Staff Engineer FTE \$109,950:
  - Pedestrian Crossing Maintenance \$2,000.

Overall, the expenses are recommended at \$21,575,069 which is an increase of \$1,115,383 after taking out all non-recurring grants from the current year. In summary, this is made up of \$526,108 in personnel cost changes, \$212,275 UFA increases, \$62,000 Cottonwood Heights Recreation, -\$27,000 reduction in Mayor/Council items, \$23,000 in City Manager items, \$40,000 in Elections costs, \$8,000 in Attorney, \$94,050 in Police costs, \$34,000 IT increases, \$5,000 in Ordinance Enforcement, \$26,000 in CED, and \$111,950 in Public Works increases.

#### Transfers out of the General Fund:

- Capital Projects Fund \$2,750,000 for Public Works capital projects.
- Capital Projects Fund \$30,000 for a Mountview park Pollinator planting expansion.
- Debt Service Fund \$2,405,041 for debt service spread as follows:
  - Land and Buildings \$1,569,548.
  - Police Vehicles \$487,683.
  - Public Works Vehicles \$310,218.
  - Public Works Light Duty Vehicles \$37,592.
- CDRA Fund \$560,763 for the Hillside Plaza Debt Service. This amount will be about \$1,130,000 annually starting our next budget year.
- Storm Water Fund \$200,000
  - \$200,000 to cover the difference between the fee and \$1,600,000 in overall funding needed in this fund.

The overall impact of the changes outlined on the General Fund is a use of fund balance of \$2,217,668. Current budgeted ending Fund Balance would be \$5,880,537. This represents 23.2% of revenues included in this 2023/2024 budget which is within the limit of 35% outlined in Utah State Statute. We are required by state statute to hold 5% (\$1,265,160) and an additional \$253,032 by City Ordinance @ 6% (\$1,518,192). In addition, there is a reserve for Compensated Absences (PTO/Vacation) that is booked at about \$660,343 each year. That would leave approximately \$3,702,002 available for appropriation at the end of the budget year (June 30, 2024).

## **Capital Improvements Fund**

The Capital Improvements Fund is projected to have a \$379,174 beginning fund balance available for appropriation.

### **Revenues:**

- Transfers in from the General fund of \$2,780,000
  - includes the County Option Sales Tax Funding for Transportation of \$800,000 and the \$400,000 from the  $\frac{1}{4}$  of the  $\frac{1}{4}$  funds.
  - additional transfer of \$1,580,000 from the General Fund revenues
- We are projecting \$1,100,000 in grant revenue for the Bengal Highland intersection.
- We are budgeting \$100,000 in interest revenues.

### **Expenses:**

- Overall Public Works Capital Improvements Fund included expenses \$4,253,700:
  - Overall street funding included is \$4,050,000:
    - City Striping \$175,000.
    - Roadway Capital Projects \$2,750,000.
    - Street Sign upgrades (Speed signs and flashers) \$25,000.
    - Bengal Highland intersection \$1,100,000 funded from a grant.
  - Overall sidewalk projects funding included is \$203,700:
    - 2300 East Sidewalk project \$40,000.
    - Our portion of the HAWK signals \$43,700.
    - ADA Ramp Projects \$35,000.
    - Sidewalk 50/50 Program \$50,000.
    - Hazard Mitigation \$35,000.
  - We will need to re-budget several projects that will not be complete prior to June 30 but will take care of that near September or October of this year.
- Mountview Park Pollinator planting expansion \$30,000.
- Total Expenses are \$4,283,700.

Overall impact to the Capital Projects Fund Balance would be a decrease in Fund Balance of \$303,700 which brings the projected ending fund balance to \$75,474 available for appropriations at the end of the budget year.

## **Storm Water Fund**

The Storm Water Fund is a new fund that began in June of 2021 to collect funds and expenses to cover Storm Water maintenance and capital expenses. This proposal illustrates a revenue modeled at \$7.50 per month per ERU and associated expense. We will limit spending to retain around \$500,000 for a minimum fund balance at any given time to allow flexibility with any potential future bonding and/or any emergency repairs and issues that may surface. The Storm Water Fund is projected to have a \$500,000 beginning fund balance available for appropriation.

### **Revenues \$1,426,430:**

- \$1,406,430 in Storm Water Fee revenue. Monthly billing at \$7.50 per Equivalent Residential Unit (ERU). This is anticipated to escalate near 3% per year going forward. We currently utilize Rocky Mountain Power to collect these revenues.
- \$20,000 in Interest revenue.

### **Transfers in \$200,000:**

- Transfer in of \$200,000 to get us to approximately \$1,600,000 in total annual funds available to cover expenses.

### **Expenses \$1,606,430:**

- Operational and Maintenance costs of \$674,000 which includes about \$615,000 in personnel costs.
- \$280,000 for Cory Hill Circle reconstruction.
- **\$672,430** for Flushing out Storm Water manholes and inlets and raising buried Storm Drain manholes and any random capital expenses.

Overall impact to the Storm Water Fund balance would be keeping the same \$500,000 ending fund balance. This targeted ending fund balance to allow flexibility with any potential future bonding and/or any emergency repairs and issues that may surface. Each year after this we would anticipate Expenses to be similar to revenues plus transfers in.

### **CDRA Fund**

The CDRA Fund has a projected beginning fund balance of \$1,530,478 for the 2023/2024 budget year. This will be the third year for the Tax Increment Financing (TIF) on the Canyon Centre Parking project. We also have included the Hillside Plaza shopping center operations in the expenses and revenues.

#### **Revenues:**

- **\$35,000 in Interest** on the fund balance.
- \$750,000 in Property Taxes related to the Canyon Centre Project. This will need to be trued up when our official distribution of Property Taxes is known.
- \$550,000 in operational revenue from the Hillside Plaza shopping center.

#### **Transfers In:**

- \$560,736 transfer in to cover the Debt Service payments related to the Hillside Plaza shopping center due during the fiscal year. The overall annual impact will be about \$1,130,000 in future years.

#### **Expenses:**

- **\$35,000** in miscellaneous professional fees related to CDRA projects.
- \$750,000 in total costs related to the Canyon Centre Project. This will need to be trued up when our official Property Tax distribution is known.
- \$550,000 in operational expenses related to the Hillside Plaza shopping center.
- \$560,763 in Debt Service payments related to the Hillside Plaza shopping center due during the fiscal year. The overall annual impact will be about \$1,130,000 in future years.

Projected ending fund balance in the CDRA Fund is \$1,530,478 available for the Fort Union (\$1,178,468) and Cottonwood Corporate Center (\$352,010) redevelopment areas.

## **Debt Service Fund**

The Debt Service Fund is projected to have a \$13,357,350 fund balance at the beginning of the 2023/2024 budget year. This amount includes escrow funds to be used to pay off the 2014 and 2016 building bonds on July 1, 2024.

### **Expenses \$2,951,041:**

- Police Vehicle Annual financing \$487,683.
- Public Works light duty Vehicle financing \$37,592.
- Public Works heavy duty Vehicle financing \$310,218.
- Building Bonds (2014, 2016, & 2021) \$1,593,363.
- Public Works Building Bond \$521,685.
- \$500 miscellaneous so we don't go over our budget.

### **Revenues and Transfers in \$2,789,191:**

- Transfer in of \$2,405,041.
- Interest from the Escrow Funds to cover Debt Service \$383,650.
- \$500 miscellaneous so we don't go over budget.

Overall impact to the Debt Service Fund Balance would be a decrease of \$161,850 in escrow funds. This will push the available fund balance to \$894 at the end of the year.

## **Summary:**

By State Statute we are required to adopt a Tentative Budget at the first business meeting in the Month of May, which occurred on May 2, and then put this Tentative Budget out for the public for review and comment. The Tentative Budget has been altered slightly between that date and the time when the budget is adopted, which is required by June 22 and anticipated on June 20. The City Manager and Director of Finance and Administrative Services believe this is a good representation of a fair budget considering the current conditions and recommend adoption of this Budget for 2023/2024.
