6. Citizen Comments:

a. Susan Savage thanked Council members for their service.

7. Announcements:

a. Wayne Peterson gave update on the I-15 road project.

8. Public Hearings: None.

9. Action Items:

a. Resolution No. 2014-01, agreement between the Town of Leeds and Washington County regarding the transfer of ownership of real property adjacent to the cemetery, Parcel L-4-1-12-126 in Leeds containing 0.026 acres.

Angela Rohr made a motion to approve resolution number 2014-01 for the transfer of ownership of real property adjacent to the cemetery, Parcel L-4-1-12-126 in Leeds containing 0.026 acres. 2<sup>nd</sup> by Ron Cundick. Joe Allen asked if there is an agreement between Washington County and Leeds for the purchase of the property. Wayne responded that there is an agreement and discussed the terms. Joe Allen asked if there are any delinquent taxes

assessed with the property and recommended that a title search be done. Council members discussed further and agreed with Joe's recommendations. Angela Rohr withdrew the Motion.

10. Discussion Items:

a. Volunteers for Leeds Cleanup projects.

Wayne discussed implementing clean up days for Leeds where volunteers donate one day each quarter to work on some areas around Leeds that need cleaning. Wayne identified the Cemetery, Parks and Main Street and discussed further with Council members.

Angela said there may be Town citizens that need help with cleaning up their yards and that would be a good project as well. Wayne will check with the Towns insurance company to see if any waivers need to be signed by volunteers. April 26<sup>th</sup> is the first date he had in mind.

b. 2014-2015 Budget.

Wayne indicated next year's Budget needs to be looked at by Council members. He will have Bob run a report that lists this year's expenses up to March 31 so Council members can see where the Town is and to help prepare for next year's budget. Angela would like a list of impact fees and when they expire and asked about updating the accounting system. Wayne responded that he is looking into the accounting system; however, does not think the ongoing costs are very feasible for the amount of entries that are made. Ron indicated the Parks in Silver Reef need some attention. Angela would like the Town to look into moving the Town bank account from Wells Fargo to a Credit Union, like Mountain America. Joe Allen asked for what purpose. Angela responded that it is locally owned and offers more protection. Wayne responded that the Town's account is with Zion's Bank and not Wells Fargo and that most of the Town's funds are kept in a PTIF account with the State. Further discussion followed with Council members with not decision made.

11. Citizen Comments:

12. Staff Reports:

Angela discussed with Council members the speed humps and that she talked to Ryan from Horrocks Engineering to get a bid on bringing them up to State Standard. Ron asked what the additional \$1700. was that the Town paid for on the speed bumps. Wayne responded they modified the height of the speed humps; however, they still need to be wider than they are now. There was not enough asphalt available at the time and indicated next time road work is done, he would like to have it engineered first because he thinks they would have caught the speed hump issue before they were installed. Angela then discussed putting "No Parking" signs on Silver Reef Drive and lowering the speed limit on Oak Grove. Wayne responded that the "No Parking" signs would need to be a discussion item on the agenda to allow public input. Council discussed Oak Grove further.

13. Adjournment:

Joe Allen moved to adjourn.

Time: 8:05pm.

APPROVED ON THIS 9 DAY OF April, 2014

Wayne Peterson, Mayor

ATTEST:
