MINUTES OF THE STUDY SESSION – JUNE 20, 2023

The Board of Education of the Alpine School District met in a study session on Tuesday, June 20, 2023 at 4:00 PM. The study session took place in the board room at the Alpine School District office.

Board members present: Board President Sara M. Hacken, Vice President Julie E. King, Stacy M. Bateman, Sarah L. Beeson, Dr. Mark J. Clement, and Joylin Lincoln. Ada S. Wilson joined remotely. There were 10 others in attendance.

1. FY24 Tentative Budget

Business Administrator Rob Smith and Assistant Business Administrator Jason Sundberg presented the proposed budget for FY24. All budget information is available on the Business Services page of the ASD website. The budget book reflects the assumed rates and includes a decrease of the property tax rate of six increments from FY23. Jason outlined possible tax increments the Board could propose in a Truth and Taxation meeting on August 8th.

2. Title IX Report

Athletic Director Matt Norman reviewed the data from the Title IX Report. Per HB 420, it is required for the report to be presented to the Board in an open meeting. The report compares the number of UHSAA sanctioned sports available for male and female students.

3. Human Sexuality Committee Report

Jessica Benson, PE & Health Specialist for the district, gave the Human Sexuality Committee Report. The state requires this report and a yearly review presentation to the school board in an open meeting. Jessica clarified that elementary maturation is a separate committee. Their meeting was held on October 10th, and there were no changes made to the curriculum. The secondary committee meets twice a year to discuss the approval of the new supplement videos and pictures requested by the junior and senior high health teachers. They also introduced and reviewed the High School Affirmative Consent Presentation that can be used in high school health classrooms. All teachers and SROs who want to use the consent presentation will receive instruction and/or training. The presentation is linked to the USBE Health II core standards. Parents can still continue to view the list of approved human sexuality supplemental materials by following the link on the cover letter that accompanies the Health I and II USBE parent consent form. Parents and guardians are instructed to work with their student's health teacher to view the contraceptive and consent presentations if desired.

4. Student Achievement Data

Jason Crowton, Director of Assessment K-6, presented the student achievement data for 2022-23. In Acadience reading, ASD scores were up in proficiency and were above the state requirement of 60% in typical or better growth. This is the first year there was a 60% growth in every grade. For Acadience reading in kindergarten, full-day kindergarten saw 72% growth, half-day 61% growth, and OEK 67%. In Acadience math, Jason reported that the end-of-year score was 54%, which did not meet the 60% required by the state. The team is working to align Ready Math with the timed Acadience math test to prepare students. They will also meet with the state three times this year to outline improvement plans and goals. Jason reported on the results of the district's goals for 2022-23: (1) To increase literacy proficiency by 9%, which increased by 12%. (2) To increase math proficiency by 1%, and that goal was not met. The goals for the 2023-24 school year are as follows: (1) 60% of all students will make typical or better growth from

BOY (beginning of year) to EOY (end of year) in Acadience reading for 1st through 3rd Grade. (2) 60% of all students will make typical or better growth from BOY to EOY in Acadience math for first through third Grade. (3) Increase the percentage of kindergarten students who are scoring at or above the benchmark on Acadience reading composite scores from BOY to EOY by 9%. (4) Increase the percentage of 1st Grade students who are scoring at or above the benchmark on Acadience reading composite score from BOY to EOY by 4%. (5) Maintain the percentage of second grade students who are scoring at/or above benchmark on Acadience math composite score from BOY to EOY.

The meeting adjourned at 5:25 PM

4. Student Trip Requests

The student trip requests were included for the Board's review.

Superintendent Farnsworth recommended approval of the routine business. On motion by Mark Clement and seconded by Sarah Beeson, the motion passed unanimously.

ACTION ITEM

1. Approval of the FY23 Final Budget

Superintendent Farnsworth recommended approval of the Final Budget for the fiscal year 2022-23. Julie King made the motion to approve the FY23 final budget and Mark Clement seconded it. Business Administrator Rob Smith explained that the final budget for the fiscal year 2022-23 has to be approved because there are amendments made throughout the year. **The board voted on the motion to approve the FY23 Final Budget, and it passed unanimously.**

2. Approval of the FY24 Tentative Budget

Superintendent Farnsworth recommended approval of the Tentative Budget for Fiscal Year 2023-24. Stacy made the motion to approve the Tentative Budget for Fiscal Year 2023-24 with a supplemental one-time appropriation for paraprofessional support and a recommended tax rate of .005056. The recommended rate does not include the Charter Local Levy of .000064, set by the Tax Commission, and may change due to the certified tax setting process. The recommended tax rate will be finalized at a Truth in Taxation hearing scheduled for August 8, 2023, at 6:00 PM. Mark Clement seconded the motion. Board members shared appreciation for the business team and the wise use of limited funds. Superintendent Farnsworth said the budget aligns with board priorities by meeting the needs of students. Rob Smith reported that the district is in a good financial position, but shared his concerns regarding rising costs in medical insurance, utility expenses, and property liability insurance. He said there is a need for additional special education para-educator support in the classroom. Previously, COVID federal funds have helped with this, but are no longer available. Regarding capital needs, funding is needed for new buildings, maintaining current buildings, and providing for the growing areas of the district. When asked about legislative priorities, Rob responded, (1) To put money into the WPU so districts can decide how to use the funding to meet their local needs; (2) To invest additional resources in Special Education because federal funds are not keeping up with the needs; and (3) To provide additional funds for capital needs in school districts. Julie King asked for clarification regarding the motion about the recommended rate. Rob explained that the motion allows for a change in the certified tax rate and that the FY24 Tentative Budget does not have any tax increments built into it. He clarified that the basic tax rate is expected to be finalized tomorrow, but it is anticipated that it will go down six increments. An increase of 6.13 increments would keep the rate flat. The recommendation from the Business Services team is three increments for next year. The Board has to determine how many increments it will recommend for next year by June 22, 2023. Once it has been determined, the county

will be notified. The Truth in Taxation hearing is scheduled for Tuesday, August 8th at 6:00 PM. Julie also noted that the motion included a one-time allocation for paraprofessional support because the federal dollars are not keeping up with the needs of our students. Superintendent Farnsworth emphasized that the one-time allocation from the fund balance gives needed support for this year and allows time to advocate for additional funding for the following year. **The board voted on the motion to approve the FY24 Tentative Budget with the amendment, and it passed unanimously.**

3. Barratt/Forbes/Greenwood Elementary Boundary Adjustment

Superintendent Farnsworth recommended the Board approve the proposed boundary adjustment for Barratt, Forbes, and Greenwood elementary schools. David Stephenson, Executive Director of External Relations and Communications, reported that the specific information regarding the proposed change was sent to parents on February 6, 2023. **Sarah Beeson made the motion to approve the boundary adjustment to Barratt, Forbes, and Greenwood elementary schools, Stacy Beeson seconded it, and the motion passed unanimously.**

4. Belmont/Traverse Mountain Elementary Boundary Adjustment

Superintendent Farnsworth recommended approval of a boundary adjustment to Belmont and Traverse Mountain elementary schools. He clarified that option A was the original option and the staff's recommendation due to transportation. **Stacy Bateman made the motion to approve option B and it was seconded by Joylin Lincoln.** Stacy explained that it makes sense to keep the Vialetto neighborhood at Belmont and feels it is in the best interest of the community. The Superintendent emphasized that the recommendation for option A is to alleviate additional stress on the transportation bus driver shortage. A question was raised as to if the apartments still under construction will require a bus to Belmont and David Stephenson said he would follow up with transportation. **The Board voted on the motion to approve option B and it failed five to two with Sara Hacken, Julie King, Mark Clement, Sarah Beeson, and Ada Wilson voting against, and Stacy Bateman and Joylin Lincoln voting in favor.** Joylin Lincoln made the motion to move this decision to an action item on the June 30th board meeting agenda to allow more time to study the bussing needs. Stacy Bateman seconded the motion and it passed four to three with Joylin Lincoln, Stacy Bateman, Julie King, and Ada Wilson voting in favor, and Sara Hacken, Sarah Beeson, and Mark Clement voting against.

5. Resolution 2023-008 – Authorizing the Approval Between Alpine School District and Crown Castle to Expand the Leased Area at Orem Elementary

Superintendent Farnsworth recommended approval of Resolution 2023-008 – authorizing the agreement between Crown Castle and ASD to expand the leased area for a cell tower at Orem Elementary. Julie King made the motion to approve Resolution 2023-008, Ada Wilson seconded it and the motion passed unanimously.

6. Resolution 2023-009 – Authorizing a Vehicle Declared Excess for Disposition

Superintendent Farnsworth recommended approval of Resolution 2023-009 to authorize a vehicle be declared excess for disposition. Julie King made the motion to approve Resolution 2023-009, Joylin Lincoln seconded it, and the motion passed unanimously.

7. Policy 2000 – Concept and Roles in Participative Administration (Retire)

Superintendent Farnsworth recommended approval to retire Policy 2000 – Concept and Roles in Participative Administration. Kraig Brinkerhoff, Executive Director of Legal Services explained that this policy and the others on the agenda to be retired fell outside the scope of the school board and under the superintendent's jurisdiction. Many of the concepts in these policies are included in Policy 2131 – Superintendent of Schools. **Sarah Beeson made the motion to retire Policy 2000, Joylin Lincoln seconded it and the motion passed unanimously.**

8. Policy 2100 – Organizational Units Structural Relationships (Retire)

Superintendent Farnsworth recommended approval to retire Policy 2100 – Organizational Units Structural Relationships. Joylin Lincoln made the motion to retire Policy 2100, Mark Clement seconded it and the motion passed unanimously.

9. Policy 2130 – Job Specifications (Retire)

Superintendent Farnsworth recommended approval to retire Policy 2130 - Job Specifications. Sarah Beeson made the motion to retire Policy 2130, Mark Clement seconded it and the motion passed unanimously.

10. Policy 2220 – Staff /Advisory Committees (Retire)

Superintendent Farnsworth recommended approval to retire Policy 2220 – Staff/Advisory Committees. Joylin Lincoln made the motion to retire Policy 2220, Sarah Beeson seconded it and the motion passed unanimously.

11. ASD Opt Into Mental Health Screening Per H.B. 403

Superintendent Farnsworth reported that H.B. 403 requires the school board to declare annually if they are going to use mental health screening. The two assessments used by ASD are the Tetris Metrics Assessment and the Columbia Lighthouse Project. These are “opt-in” by parents, authorizing their students to be assessed. These are typically used when a student is facing an administrative hearing or if a CSTAG Threat Assessment is done to see if there is a need for mental health support. Mark Clement made a motion for ASD to opt into mental health screening per H.B. 403. Stacy Bateman seconded the motion and it passed unanimously.

REPORT

1. Membership Report

Superintendent Farnsworth reported on the final enrollment report for the 2022-23 school year. The change in the elementary school enrollment was down 216. In middle school, the enrollment numbers increased by 149 and in high school the numbers were down by 718. The attrition being manifested in secondary schools is concerning. We are still seeing the effects of the pandemic on student engagement.

BOARD MEMBERS' AND SUPERINTENDENT'S REPORTS AND INFORMATION ITEMS

Sarah Beeson shared a report about the students who participated in fine arts performances during the school year in band, choir, orchestra, dance, and drama. She thanked the teachers who provide these opportunities.

Julie King made a plea to parents to enroll their students in kindergarten if they have not already. There is an opportunity for full-day kindergarten (FDK) in some of our schools, and there is a need to know the number of students who will be attending.

Sarah Hacken reported that the Alpine Foundation visited Lindon Elementary for the STARS reading program. The results from the program are great.

ADJOURNMENT

On motion by Julie King and seconded by Stacy Bateman, the meeting adjourned at 7:56 PM.

MINUTES OF THE BOARD MEETING – JUNE 30, 2023

The Board of Education of the Alpine School District met in a board meeting on Friday, June 30, 2023 at 3:00 PM. The meeting took place in the board room at the Alpine School District office.

Board members present: Board President Sara M. Hacken, Stacy M. Bateman, Sarah L. Beeson, Dr. Mark J. Clement, Joylin Lincoln, and Ada S. Wilson. Vice President Julie E. King joined remotely.

Also present: Superintendent Dr. Shane J. Farnsworth, Business Administrator Robert W. Smith, and members of the administrative staff. There were approximately 17 others in attendance.

Board President Sara Hacken conducted the meeting.

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was offered by David Stephenson.

COMMUNITY COMMENTS

Candice Gustavson, Lehi, advocated for option B and keeping the Violetta Neighborhood in the Belmont Elementary boundary.

Lanae Stout, Lehi, has a son who attends ATEC West. She spoke about the need for a new ATEC West facility.

Rachel Hall, Orem, spoke about her concerns regarding moving all of the Sharon Elementary students into Cascade, and the increase in class sizes. She feels this option is not in the best interest of students.

Amy Carpenter, Lehi, advocated for Option B and keeping the Violetta Neighborhood in the Belmont Elementary boundary.

Joni Elsmore is a teacher in ASD and is concerned about the overcrowded schools in Eagle Mountain. She recommended moving to a year-round schedule so we would have adequate space without building new schools.

ACTION ITEM

1. Belmont/Traverse Mountain Elementary Boundary Adjustment

Superintendent Farnsworth said that due to future transportation needs and current enrollment numbers, the staff's recommendation for the Belmont/Traverse Mountain boundary is Option A. Executive Director David Stephenson emphasized that one reason for the boundary realignment is to prepare for the growth coming from the D.R. Horton Sky Estates development located on the east side of Belmont Elementary. He said it would be possible to have option A/B which would include the currently under construction Terra Vista Apartments in the Traverse Mountain Elementary boundary, as well as the Violetto neighborhood. **Stacy Bateman made the motion to approve option A/B for the Traverse Mountain and Belmont elementary school boundaries, and Mark Clement seconded it.** Stacy Bateman and Joylin Lincoln discussed the possibility of out-of-boundary requests for the Violetto students in the upper grades who have been attending Belmont Elementary. David Stephenson reviewed the state code

regarding out-of-boundary requests for students. **The Board voted on the motion to approve Option A/B and it passed unanimously.**

2. Closure of Sharon Elementary Effective the 2023-24 School Year

Superintendent Farnsworth said that after the formal study of the school, the staff recommends the closure of Sharon Elementary effective the 2023-2024 school year following Option D. This will boundary all of Sharon Elementary students into Cascade Elementary and a small section of Cascade into Centennial Elementary. Ada Wilson made the motion to complete the process and close Sharon Elementary effective the 2023-24 school year under Option D, and Joylin Lincoln seconded it. Ada acknowledged the excellent work and traditions that have resided at both schools. She assured the community that the levels of service will continue to be what they are accustomed to. Executive Director Kimberly Bird addressed questions regarding Title I services the Sharon Elementary students currently receive. She said the Title I services will follow the Sharon students and that Cascade Elementary will be a Title I school for one year. All Title I schools are evaluated annually to determine qualifications. Kimberly also addressed some of the comments regarding the capacity of the building and the adjustments that are being made. Currently, there are some out-of-boundary students who attend Sharon Elementary. Utah State Statute 53G-6-402(6) indicates that out-of-boundary students can remain at the new school as long as it does not affect the enrollment threshold. DLI students are the exception because most of them do come from out of school boundaries. Kimberly emphasized that capacity at an elementary school is based on grade level. There will be approximately 80 students who will move from Cascade to Centennial Elementary. **The Board voted on the motion to complete the process and close Sharon Elementary effective the 2023-24 school year under Option D, and it passed unanimously.**

3. Closure of Valley View Elementary Effective the 2023-24 School Year

Superintendent Farnsworth said that after the formal study of the school, the staff recommends the closure of Valley View Elementary effective the 2023-2024 school year following Option C. Mark Clement made the motion that we conclude the formal boundary study and close Valley View Elementary effective the 2023-24 school year, using the boundaries outlined in option C for Valley View, Central, and Grovecrest elementary schools. Stacy Bateman seconded the motion. Board members thanked those who have made Valley View a great place for students through the years. They shared that they are happy for teachers and students for the new opportunities they will enjoy at Central Elementary. **The Board voted on the motion to close Valley View Elementary effective the 2023-24 school year following Option C, and it passed unanimously.**

BOARD MEMBERS' AND SUPERINTENDENT'S REPORTS AND INFORMATION ITEMS

Stacy Bateman reported that out-of-boundary requests are a heavy lift for families. She made a personal plea that if there is something your child needs, to please talk with your principal. The Board is actively working towards long-term solutions to address the needs of all students.

ADJOURNMENT

On motion by Mark Clement and seconded by Ada Wilson, the meeting adjourned at 3:55 PM.

Destination

New York City

Objective of the Trip

"We inspire and empower students to create with intent, collaborate, and compassionately connect to themselves and their community through a lifelong association with the arts." -Orem High Fine Arts Department Mission Statement.

We believe this tour to the vibrant center of American and world-wide fine arts will provide invaluable educational opportunities to our students and serve to expand their understanding of their particular art form as both artistic pursuits and entertainment forms. We expect the students to also have opportunities to develop practical real-world employment skills in their artistic field, as well as to develop and strengthen professional networks.

The dance, drama, choir, and art programs all plan to be involved in this trip. We hope this will lead to opportunities for our OHS students to build collaborative relationships with each other, develop unity within the intersectionality of our programs, and learn to better support each others' growth and artistry. As directors, we are striving to develop a supportive, collaborative school fine arts department, and believe this trip will encourage our students to continue to buy into this unified approach.

While farther away than other large cities that cultivate and celebrate the arts, New York City is unique in its rich history and legacy as the birthplace of many of the forms of art we still teach and engage with today. New York is also maintaining its current status as a thriving international center for the arts in contemporary approaches to artistic development.

During this trip, our students will take classes from professional artists and companies; observe, reflect on, and discuss performance and other display samples in both the artistic and entertainment realms; and discover the many varied opportunities for involvement in their art beyond our state and high school programs, and especially private training. Our students will have the opportunity to learn about their own roots in their art forms; expand their knowledge of and exposure to qualitative, artistic representation of their form; and apply these experiences to their own growth and development as artists, creators, and humans in general.

Notes/Comments

Infinity Tours (the district approved travel agency) is arranging our tour. This tour is very similar to the one the Orem Dance Company has done several times in the past; we are including other OHS Performing Arts Programs this year. It has been a well-run, successful tour in the past and trust our agency to help provide another wonderful experience for this year's group of students!

All 4 program directors (Alley, Sackett, Barney, Eyre) are involved in planning the trip and will attend to supervise their group's experience.

The October trip applies only to the dance and drama programs, so the choir and art programs will not have previously gone on a trip.

Received an invitation to compete in a very good tournament against out of area teams. Great chance to build chemistry and have the boy's grow stronger together as a team.

See separate email for exception explanation.

To whom it may concern,

The boy's basketball team has been invited to compete in a very competitive, high level, out of state basketball tournament. In order to allow everyone involved to make the most of this trip, we would leave Utah on Monday, Dec. 18 and return Friday, Dec. 22.

With the length of the flight, (and probably one layover), and the 2 hour and 15 minute drive to the hotel, we would not arrive until the evening. Tuesday would be a very important practice day to properly prepare for the tournament and allow players and coaches to acclimate to the time change. Wednesday, Thursday and Friday are game days, with our return flight being Friday after our final game.

The basketball coaching staff at PG has always had academics as our number one priority. We talk about academics daily with the players. In order to join the team on this trip, a player will have to have taken care of all of his academic responsibilities.

Coaches, which we have 5 that are teachers at PG, and the captains, will ensure that all players have communicated properly with their teachers to get all necessary course work and tests completed. If a teacher doesn't sign off on one of the players, that player will not attend the trip.

We're proud of the outstanding track record the boy's basketball players have had over the years, with several academic All-State selections, as well as dozens and dozens of academic All-Region players. Our team GPA is often above 3.7. I appreciate your time and consideration.

Best Wishes,

Randy McAllister

WHEREAS, it is deemed desirable and in the best interests of the Alpine School District that the following action be taken by the ASD Board of Education, pursuant to this Resolution,

NOW THEREFORE BE IT RESOLVED that, pursuant to applicable law, the Board of Education of the Alpine School District, hereby consent to, approve, and adopt the following:

**A RESOLUTION APPROVING THE AGENCY TO RECEIVE THE TAXING ENTITIES
SHARE OF TAX INCREMENT GENERATED BY THE
EAGLE MOUNTAIN CRA- QTS DATA PROJECT
THE TERMS OF THE AGREEMENT ARE ATTACHED**

INTERLOCAL COOPERATION AGREEMENT

THIS INTERLOCAL COOPERATION AGREEMENT is made and entered into this ____ day of , 2023, by and between the **EAGLE MOUNTAIN REDEVELOPMENT AGENCY**, a community reinvestment agency and political subdivision of the State of Utah (the "Agency"), and **ALPINE SCHOOL DISTRICT**, a political subdivision of the State of Utah (the "School District") in contemplation of the following facts and circumstances:

A. **WHEREAS**, the Agency was created and organized pursuant to the provisions of the Utah Neighborhood Development Act, Utah Code Annotated ("UCA") §17A-2-1201 *et seq.* (2000), and continues to operate under the provisions of its extant successor statute, the Limited Purpose Local Government Entities - Community Reinvestment Agency Act, Title 17C of the UCA (the "Act"), and is authorized and empowered under the Act to undertake, among other things, various community development activities pursuant to the Act, including, among other things, assisting Eagle Mountain City (the "City") in development activities that are likely to advance the policies, goals and objectives of the City's general plan, contributing to capital improvements which substantially benefit the City, creating economic benefits to the City, and improving the public health, safety and welfare of its citizens; and

B. **WHEREAS**, this Agreement is made pursuant to the provisions of the Act and the Interlocal Cooperation Act (UCA Title 11, Chapter 13) (the "Cooperation Act"); and

C. **WHEREAS**, the Agency will create the Sweet Water Industrial Park Community Reinvestment Project Area # 3 (the "Project Area"), through the adoption of the Sweet Water Industrial Park #3 Plan (the "Project Area Plan"), located within the City, which Project Area is described in Exhibit "A" attached hereto and incorporated herein by this reference; and

D. **WHEREAS**, the Project Area contains vacant and underutilized land, which is anticipated to be developed, with encouragement and planning by the Agency, as a data center complex consisting of real and personal property including a building or group of buildings for the construction, maintenance, use and/or operation of a data center, including ancillary buildings consisting of office buildings, utility buildings and temporary and/or prefabricated construction management buildings (each a "Building" and collectively the "Buildings"). The Agency has not entered into any participation or development agreements with developers but anticipates that prior to development of the Project Area, the City and/or the Agency may enter into one or more participation agreements with one or more developer(s) which will provide certain terms and conditions upon which the Project Area will be developed using, in part, "Tax Increment" (as that term is defined in the Act), generated from the Project Area; and

E. **WHEREAS**, historically, the Project Area has generated a total of \$1,281 per year in property taxes for the various taxing entities, including the City, Utah County (the "County"), the School District, and other taxing entities; and

F. **WHEREAS**, upon full development as contemplated in the Project Area Plan, property taxes produced by the Project Area for the City, the County, the School District, and other taxing entities are projected to total approximately \$8,440,333 per year at the end of the Project Area; and

G. **WHEREAS**, the Agency has requested the City, the County, the School District, and other taxing entities to participate in the promotion of development in the Project Area by agreeing to remit to the Agency for a specified period of time specified portions of the increased real and personal property tax (i.e., Tax Increment,) which will be generated by the Project Area; and

H. **WHEREAS**, it is in the best interest of the citizens of the School District for the School District to remit such payments to the Agency to permit the Agency to leverage private development of the Project Area; and

I. **WHEREAS**, the Agency has retained Lewis Young Robertson & Burningham, Inc., an independent financial consulting firm with substantial experience regarding community reinvestment projects and tax increment funding across the State of Utah, to prepare the Project Area Plan and to provide a report regarding the need and justification for investment of Tax Increment revenues from and within the Project Area. A copy of the report is included in the Draft Project Area Plan attached as Exhibit "B"; and

J. **WHEREAS**, the Agency will create the Sweet Water Industrial Park Community Reinvestment Project Area #3 Budget (the "Project Area Budget"), a draft copy of which is attached as Exhibit "C", which Project Area Budget, generally speaking, outlines the anticipated generation, payment and use of Tax Increment within the Project Area;

K. **WHEREAS**, the parties desire to set forth in writing their agreements regarding the nature and timing of such assistance;

NOW, THEREFORE, the parties agree as follows:

1. **Additional Tax Revenue.** The School District has determined that significant additional Tax Increment will likely be generated by the development of the Project Area as described in further detail in the Project Area Plan and Project Area Budget. Each of the parties acknowledge, however, that the development activity required for the generation of the Tax Increment is not likely to occur within the foreseeable future or to the degree possible or desired without Tax Increment participation in order to induce and encourage such development activity.
2. **Offset of Development Costs and Expenses.** The School District has determined that it is in the best interests of its citizens to pay specified portions of its portion of Tax Increment to the Agency in order for the Agency to offset costs and expenses which will be incurred by Agency or participants in Project Area development, including, without limitation, the construction and installation of Buildings, infrastructure improvements, personal property and other development related costs needed to serve the Project Area, to the extent permitted by the Act, the Project Area Plan, and the Project Area Budget, each as adopted and amended from time to time.
3. **Base Year and Base Year Value.** The base year, for purposes of calculation of the Base Taxable Value (as that term is defined in the Act), shall be 2022, meaning the Base Taxable Value shall, to the extent and in the manner defined by the Act, be equal to the equalized taxable value shown on the 2022 Utah County assessment rolls for all anticipated developable property located within the Project Area (which is currently estimated to be \$13,355,671, but is subject to final adjustment and verification by the County and Agency).
4. **Agreement(s) with Developer(s).** The Agency is authorized to enter into one or more participation agreements with one or more participants which may provide for the payment of certain amounts of Tax Increment (to the extent such Tax Increment is actually paid to and received by the Agency from year to year) to the participant(s) conditional upon the participant(s)'s meeting of certain performance measures as outlined in said agreement. Such agreement shall be consistent with the terms and conditions of this Agreement, shall require as a condition of the payment to the participant(s) that the respective participant or its approved successors in title as owners of all current and subsequent parcels within the Project Area, as outlined in Exhibit "A" (the "Property"), shall pay any and all taxes and assessments which shall be assessed against the Property in accordance with levies made by applicable municipal entities in accordance with the laws of the state of Utah applicable to such levies, and such other performance measures as the Agency may deem appropriate.

5. **Payment Trigger.** The Property may be developed in Phases. A “Phase” means each phase of the development of the Property as designated by a participant, which Phase may include all or one (1) Building or multiple buildings and any associated real property identified and designated by a participant. A Phase may or may not be a legally subdivided parcel of real property. The first year of payment of Tax Increment from the School District to the Agency shall be determined by the Agency. The Agency may trigger the collection of Tax Increment for a Phase by delivering a letter or other written request to the Utah County Auditor’s office identifying such Phase (the “Trigger Notice”). The Agency shall be entitled to receive Tax Increment for each Phase for an initial period of twenty (20) full calendar years per Phase not to exceed 40 years for all Phases commencing with the year after the Agency delivers a Trigger Notice for such Phase (each, an “Increment Period”).

6. **Total Payment to Agency.** The School District shall authorize the County to remit to the Agency, beginning with property tax receipts during each Incremental Period for each Phase, 74% of the annual Tax Increment generated from the personal property tax within the Project Area and 61% of the annual Tax Increment generated from the real (*i.e.*, building, land, and fixtures) and centrally assessed property within the Project Area; provided, however, that the total amount of such Tax Increment generated and properly attributable to the School District’s tax levy that is paid to the Agency under this Agreement shall not exceed \$14,788,904 per Phase and shall not exceed a total of \$84,922,553 for all Phases within the Project Area.

7. **Property Tax Increase.** This Agreement provides for the payment of the increase in real, personal property, and centrally assessed property taxes collected from the Project Area by the County acting as the tax collection agency for the School District. Without limiting the foregoing, this Agreement includes Tax Increment resulting from an increase in the tax rate of the School District, which is hereby expressly approved as being included in Tax Increment as required by Section 17C-1-407 of the Act. It is expressly understood that the Property Taxes which are the subject of this Agreement are only those Property Taxes actually collected by the County from the Project Area.

8. **Future Increment Period Conditions.** The Agency may receive the same participation and level of tax increment received during the initial Increment Period for each additional Phase conditional upon the Agency amending the Project Area Plan and Project Area Budget for each additional Phase and providing notice to the School District of such amendments.

9. **No Independent Duty.** The School District shall be responsible to remit to the Agency only Tax Increment actually received by the County acting as the tax collecting agency for the School District. The School District shall have no independent duty to pay any amount to the Agency other than the Tax Increment actually received by the County, on behalf of the School District on an annual basis during each Increment Period for each Phase.

10. **PILOT Payments.** For any participation agreement that the Agency enters into pursuant to Section 4 of this Agreement, the Agency shall include a provision in that agreement requiring an annual PILOT Payment to be made by the Participant to the School District (the “Required PILOT Payment Provision”). The Required PILOT Payment Provision shall include terms substantially similar to the following:

On or before December 31st of each year that the Agency receives tax increment from the Project Area attributable to the School District (during the term of the participation agreement), the Participant shall pay or cause to be paid to the School District a PILOT Payment in the amount of twenty-five thousand dollars (\$25,000) (the “PILOT Amount”) per building. The PILOT Payment shall be paid to the School District by check made payable to the “Alpine School District Foundation” and delivered to the School District at 575 N 100 E, American Fork, UT 84003, by electronic transfer pursuant to written instructions provided by the School District, or by such other means as the School District and Participant may agree. The PILOT Payment shall be paid each year by the Participant for each building

as a condition to the Participant receiving from the Agency any tax increment reimbursement (as provided in the participation agreement) from the real or personal property tax increment attributable to the School District while said building is generating tax increment. In the event the Participant is no longer entitled to receive such tax increment reimbursement or is not entitled to receive such tax increment reimbursement for a particular year, no PILOT Payment for that year shall be required.

If the PILOT Payments fail to reach the PILOT Amount, then the Participant shall not be entitled to receive from the Agency any tax increment reimbursement from the real or personal property Tax Increment attributable to the School District for that year.

11. **Authority to Bind.** Each individual executing this Agreement represents and warrants that such person is authorized to do so, and, that upon executing this Agreement, this Agreement shall be binding and enforceable in accordance with its terms upon the party for whom such person is acting.

12. **Further Documents and Acts.** Each of the parties hereto agrees to cooperate in good faith with the others, and to execute and deliver such further documents and perform such other acts as may be reasonably necessary or appropriate to consummate and carry into effect the transactions contemplated under this Agreement.

13. **Notices.** Any notice, request, demand, consent, approval or other communication required or permitted hereunder or by law shall be validly given or made only if in writing and delivered to an officer or duly authorized representative of the other party in person or by Federal Express, private commercial delivery or courier service for next business day delivery, or by United States mail, duly certified or registered (return receipt requested), postage prepaid, and addressed to the party for whom intended, as follows:

Any party may from time to time, by written notice to the others as provided above, designate a different address which shall be substituted for that specified above. Notice sent by mail shall be deemed served or delivered seventy-two (72) hours after mailing. Notice by any other method shall be deemed served or delivered upon actual receipt at the address or facsimile number listed above. Delivery of courtesy copies noted above shall be as a courtesy only and failure of any party to give or receive a courtesy copy shall not be deemed to be a failure to provide notice otherwise properly delivered to a party to this Agreement.

14. **Entire Agreement.** This Agreement is the final expression of and contains the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior

understandings with respect thereto. This Agreement may not be modified, changed, supplemented or terminated, nor may any obligations hereunder be waived, except by written instrument signed by the party to be charged or by its agent duly authorized in writing or as otherwise expressly permitted herein. This Agreement and its exhibits constitute the entire agreement between the parties hereto pertaining to the subject matter hereof, and the final, complete and exclusive expression of the terms and conditions thereof. All prior agreements, representations, negotiations and understandings of the parties hereto, oral or written, express or implied, are hereby superseded and merged herein.

15. **No Third-Party Benefit.** The parties do not intend to confer any benefit hereunder on any person, firm or corporation other than the parties hereto. There are no intended third-party beneficiaries to this Agreement.

16. **Construction.** Headings at the beginning of each paragraph and subparagraph are solely for the convenience of the parties and are not a part of the Agreement. Whenever required by the context of this Agreement, the singular shall include the plural and the masculine shall include the feminine and vice versa. Unless otherwise indicated, all references to paragraphs and subparagraphs are to this Agreement. In the event the date on which any of the parties is required to take any action under the terms of this Agreement is not a business day, the action shall be taken on the next succeeding business day.

17. **Partial Invalidity.** If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each such term and provision of this Agreement shall be valid and shall be enforced to the fullest extent permitted by law.

18. **Amendments.** No addition to or modification of any provision contained in this Agreement shall be effective unless fully set forth in writing executed by each of the parties hereto.

19. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument.

20. **Waivers.** No waiver of any breach of any covenant or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof or of any other covenant or provision herein contained. No extension of time for performance of any obligation or act shall be deemed an extension of the time for performance of any other obligation or act.

21. **Governing Law.** This Agreement and the exhibits attached hereto shall be governed by and construed under the laws of the State of Utah. In the event of any dispute hereunder, it is agreed that the sole and exclusive venue shall be in a court of competent jurisdiction in Utah County, Utah, and the parties hereto agree to submit to the jurisdiction of such court.

22. **Declaration of Invalidity.** In the event that a court of competent jurisdiction declares that the County or the School District cannot pay and/or that the Agency cannot receive payments of the Tax Increment, declares that the Agency cannot pay the Tax Increment to developers, or takes any other action which has the effect of eliminating or reducing the payments of Tax Increment received by the Agency, the Agency's obligation to pay the Tax Increment to developers shall be reduced or eliminated accordingly, the Agency, and the School District shall take such steps as are reasonably required to not permit the payment and/or receipt of the Tax Increment to be declared invalid.

23. **No Separate Legal Entity.** No separate legal entity is created by this Agreement.

24. **Duration.** This Agreement shall terminate with respect to a particular Phase upon the expiration of each Tax Increment Period for such Phase but shall continue for all undeveloped Phases.

Notwithstanding, this Agreement shall terminate after the fortieth year following the trigger year of the first Phase.

25. **Assignment.** No party may assign its rights, duties or obligations under this Agreement without the prior written consent first being obtained from all parties. Notwithstanding the foregoing, such consent shall not be unreasonably withheld or delayed so long as the assignee thereof shall be reasonably expected to be able to perform the duties and obligations being assigned.

26. **Termination.** Upon any termination of this Agreement resulting from the uncured default of any party, the order of any court of competent jurisdiction or termination as a result of any legislative action requiring such termination, then any funds held by the Agency and for which the Agency shall not be required to disburse to developers in accordance with the agreements which govern such disbursement, then such funds shall be returned to the party originally remitting same to the Agency and upon such return this Agreement shall be deemed terminated and of no further force or effect.

27. **Interlocal Cooperation Act.** In satisfaction of the requirements of the Cooperation Act in connection with this Agreement, the Parties agree as follows:

- a. This Agreement has been, on or prior to the date hereof, authorized and adopted by resolution of the legislative body of each Party pursuant to and in accordance with the provisions of Section 11-13-202.5 of the Cooperation Act;
- b. This Agreement has been, on or prior to the date hereof, reviewed as to proper form and compliance with applicable law by a duly authorized attorney on behalf of each Party pursuant to and in accordance with the provisions of Section 11-13-202.5(3) of the Cooperation Act;
- c. A duly executed original counterpart of this Agreement shall be filed immediately with the keeper of records of each Party pursuant to Section 11-13-209 of the Cooperation Act;
- d. The Chair of the Agency is hereby designated the administrator for all purposes of the Cooperation Act, pursuant to Section 11-13-207 of the Cooperation Act; and
- e. Should a party to this Agreement desire to terminate this Agreement, in part or in whole, each party to the Agreement must adopt, by resolution, an amended Interlocal Cooperation Agreement stating the reasons for such termination. Any such amended Interlocal Cooperation Agreement must be in harmony with any development/participation agreement(s) entered into by the Agency as described in this Agreement.
- f. Immediately after execution of this Agreement by both Parties, the Agency shall, on behalf of both parties, cause to be published notice regarding this Agreement pursuant to Section 11-13-219 of the Cooperation Act.
- g. This Agreement makes no provision for the parties acquiring, holding and disposing of real and personal property used in the joint undertaking as such action is not contemplated as part of this Agreement nor part of the undertaking. Any such provision would be outside the parameters of the current undertaking. However, to the extent that this Agreement may be construed as providing for the acquisition, holding or disposing of real and/or personal property, all such property shall be owned by the Agency upon termination of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day specified above.

Project Area Budget

Eagle Mountain CRA – QTS Data Center Project – May 2023

Problem:

- Project area is west of Magnolia Road in the southern boundary of Eagle Mountain and contains ~490 acres and is located in the planned Sweetwater Industrial Park Community.
 - Taxable value FY22 - \$13,355,671, generating \$115,473 in '**BASE YEAR**' revenue annually (ASD ~\$76,445 per year)
- Data center projects have high cost of personal property with atypical obsolescence and equipment replacement cycles
- Project is less feasible without School District participation and likely will locate in another area

Purpose of Solution:

- Provide financial framework to attract large-scale investment
- Provide above average wage jobs with minimal impact to local education resources
- Provide above average ROI to taxing entities, when considering current greenbelt revenue, with possible synergy to additional investment and development

Executive Summary of Solution:

- Project has a 20-year duration from the date the first tax increment is received by the Agency and could include multiple phases with a maximum term of 40 years per state statute. Trigger year could be as early as 2024.
- If project is successful, increment to ASD at the end of 20 year (one phase) is **~\$945,437 annually**
- ASD contributes an estimated **\$13,518,614 million over 20 years (one phase) or 66% of all sources**, with a NPV @4% of \$9,162,172 million
- Project requests **74% of personal property** due to replacement requirements and obsolescence of servers; as well as **61% of real property** increment generated.
- The State of Utah will not contribute any portion of their incremental sales tax to implement the project plan
- The Project proposes a \$25,000 annual pilot payment to ASD, or \$500,000 over the phase one term for student programs or capital needs.
- Incremental sales and use taxes received by the City, County and State are not included in this proposal – Also, revenue to possibly consider is **~\$1,630,772 in franchise tax to Eagle Mountain City**
- **Future ASD tax rate increases would not flow to the district from this project**

History of Solution: (including previous attempts)

- Eagle Mountain City has planned for data centers in its industrial park. Comments from the Mayor and City leadership have included a desire to become the "destination for data centers".
- Eagle Mountain City economic development has been historically slow due to several factors (consumer density, transportation, commercial centers, investment, etc.)
- Consideration received in other RDA/CRA projects has been shared with City leadership (property, density credit, mitigation payments, partnerships with school programs, reduced increment, etc.)
- Eagle Mountain currently has 0% value listed in RDA's, below the district average of 8.2%, which according to district criteria makes this project eligible for consideration
- ASD has not granted any RDA/CRA project in excess of 75% without mitigation payments or other consideration

- Political realities exist with the approval of any project, despite the merits of the proposal. ASD has sought to minimize and mitigate negative feedback through approved criteria when considering the merits of projects
- ASD has requested a "last-in" approach, relying on other entities to approve prior to consideration by the Board. Letters of support from the Governor's office and area legislators were also requested
- Jordan School District recently considered a similar project. Conversations between business administrators as to framework, consideration and influencing factors occurred.
- Governor Herbert sent a letter of support. Senator Anderegg sent a letter of support. Representative Moss did not send a letter of support.

Action / Solution:

- Approval of the CRA
- Disapproval of the CRA
- Public sentiment

Additional Solution or Implementation Details:

Presentations:

- **City office – initial review – March 12, 2018**
- **Building and Grounds Committee – March 20, 2018**

Section 1: Introduction

The Eagle Mountain Redevelopment Agency (the "Agency"), following thorough consideration of the needs and desires of the City of Eagle Mountain (the "City") and its residents, as well as understanding the City's capacity for new development, has carefully crafted the Project Area Plan (the "Plan") for the Sweetwater Industrial Park Community Reinvestment Project Area #3 (the "Project Area"). The Plan is the end result of a comprehensive evaluation of the types of appropriate land-uses and economic development opportunities for the land encompassed by the Project Area which lies within the southern portion of the City, generally to the west of Magnolia Road, east of 2000 East, and to the north of 1000 North.

The Plan is envisioned to define the method and means of development for the Project Area from its current state to a higher and better use. The City has determined it is in the best interest of its citizens to assist in the development of the Project Area. This **Project Area Budget** document (the "Budget") is predicated upon certain elements, objectives and conditions outlined in the Plan and intended to be used as a financing tool to assist the Agency in meeting Plan objectives discussed herein and more specifically referenced and identified in the Plan.

The creation of the Project Area is being undertaken as a community reinvestment project pursuant to certain provisions of Chapters 1 and 5 of the Utah Community Reinvestment Agency Act (the "Act", Utah Code Annotated ("UCA") Title 17C). The requirements of the Act, including notice and hearing obligations, have been observed at all times throughout the establishment of the Project Area.

Section 2: Description of Community Development Project Area

The Project Area lies west of Magnolia Road, east of 2000 East, and to the north of 1000 North, and is located within the City's southern boundaries. The property encompasses approximately 489.86 acres of vacant/greenbelt land.

A map of the Project Area is attached hereto in EXHIBIT A.

Section 3: General Overview of Project Area Budget

The purpose of the Project Area Budget is to provide the financial framework necessary to implement the Project Area Plan vision and objectives. The Project Area Plan has identified that tax increment financing is essential in order to meet the objectives of the CRA Project Area. The following information will detail the sources and uses of tax increment and other necessary details needed for public officials, interested parties, and the public in general to understand the mechanics of the Project Area Budget.

Base Year Value

The Agency has determined that the Base Year Value for the Project Area will be equal to taxable value for the tax year immediately prior to the triggering of the Project Area and the individual phases. As the trigger year(s) have not been determined, the 2022 tax year has been used to estimate the Base Year Value. The Base Year Value is estimated to be \$13,355,671. Using the tax rates established within the Project Area, the property taxes levied equate to \$115,473 annually. Accordingly, this amount will continue to flow through to each taxing entity proportional to the amount of their respective tax rates being levied.

Payment Trigger

Each phase will have a twenty (20)-year duration from the date of the first tax increment received by the Agency. The first year for collection of tax increment will be determined by the Agency. The Agency will provide a trigger notice to Utah County before each first year of collection.

Projected Tax Increment Revenue – Total Generation

Development within the Project Area will commence upon favorable market conditions which will include both horizontal and vertical infrastructure and development. The Agency anticipates that new development will begin in the Project Area in the next two to three years. The contemplated development will generate significant additional property tax revenue as well as incremental sales and use tax above what is currently generated within the Project Area.

Property Tax Increment will begin to be generated in the tax year (ending Dec 1st) following construction completion and Tax Increment will actually be paid to the Agency in March or April after collection. It is projected that property Tax Increment generation within the Project Area could begin as early as 2024, though there is no requirement under this agreement that mandates the beginning date and it can be later. It is currently estimated that during the 20-year life of the Project Area Budget, property Tax Increment could be generated within the Project Area in the approximate amount of \$31.58 million or at a net present value (NPV)¹ of \$21.41 million. This amount is over and above the \$2.31M of base taxes that the property would generate over 20 years at the \$115,473 annual amount it currently generates as shown in Table 4.1 below.

¹ Net Present Value of future cash flows assumes a 4% discount rate. The same 4% discount rate is used in all remaining NPV calculations. This total is prior to accounting for the flow-through of tax increment to the respective taxing entities.

Section 4: Property Tax Increment

Base Year Property Tax Revenue

The taxing entities are currently receiving - and will continue to receive - property tax revenue from the current assessed value of the property within the Project Area ("Base Taxes"). The current assessed value is estimated to be \$13,355,671. Based upon the tax rates in the area, the collective taxing entities are receiving \$115,473 in property tax annually from this Project Area. This equates to approximately \$2.31M over the 20-year life of the first phase of the Project Area.

TABLE 4.1: TOTAL BASE YEAR TO TAXING ENTITIES (OVER 20 YEARS)

Entity	Total	NPV at 4%
Utah County	\$176,562	\$119,977
Alpine School District	1,528,957	1,038,951
Eagle Mountain City	144,508	98,196
Central Utah Water Conservancy District	106,845	72,603
Unified Fire Service Area – Salt Lake County	352,590	239,590
Total Revenue	\$2,309,463	\$1,569,318

Property Tax Increment Shared with RDA

All taxing entities that receive property tax generated within the Project Area, as detailed above, will share at least a portion of that increment generation with the Agency. All taxing entities will contribute 74% of their respective tax increment off of the personal property within the Project Area and 61% of their respective tax increment off of the real property for 20 years. The State will not contribute any portion of their incremental sales tax to implement the Project Area Plan. The assumptions in this analysis only include the tax increment projections on the first phase of the development. The Agency may be allowed to receive 20 years of tax increment for each phase that is undertaken, not to exceed 40 years for all phases beginning with the first year increment is remitted to the Agency. Each additional 20-year period will be outlined in an amended Project Area Budget, as necessary. Table 4.2 shows the amount of Tax Increment shared with the Agency assuming the participation levels discussed above.

Uses of Tax Increment

The anticipated development includes numerous costs, including land purchase, infrastructure and over \$100 million of personal property. "But-for" the creation of the CRA and public participation, the costs associated with the development would be too high, and the Project Area would remain in its underutilized state.

The Agency will take an annual percentage of 5% to administer the CRA. The majority of the remaining Tax Increment collected by the Agency will be used to overcome the obstacles outlined above (85%). Including: offsetting certain on-site public infrastructure costs, development incentives, Agency requested improvements and upgrades, desirable Project Area improvements, and other redevelopment activities as approved by the Agency. The remaining 10% will go towards affordable housing, as required by the Act.

A multi-year projection of tax increment is included in **EXHIBIT B**.

Total Annual Property Tax Revenue for Taxing Entities at Conclusion of Project

As described above, the collective taxing entities are currently receiving approximately \$115,473 in property taxes annually from this Project Area. At the end of 20 years an additional \$1,869,012 in property taxes annually is anticipated, totaling approximately \$2,152,039 in property taxes annually for the area. "But for" the assistance provided by the RDA through tax increment revenues, this 1,619% increase in property taxes generated for the taxing entities would not be possible.

Additional Revenues

Other Tax Revenues

The development within the Project Area will also generate sales taxes, energy sales and use taxes for natural gas and telecommunications.

Table 5.1 shows the total revenues generated by the Project Area. This total includes the anticipated property tax increment and energy sales and use tax.

TABLE 5.1 TOTAL REVENUES

Entity	Property Tax	Franchise Tax	Total Incremental Revenues
Utah County	\$2,414,246	-	\$2,414,246
Alpine School District	20,906,417	-	20,906,417
Eagle Mountain City	1,975,956	1,630,772	3,606,728

Additional Costs

The development anticipated within the Project Area will also likely result in additional general government, public works, and public safety costs. These costs, along with the estimated budget to implement the Project Area Plan, are identified below.

TABLE 5.2 TOTAL EXPENDITURES

Entity	CRA Budget	General Government	Public Works	Public Safety	Total Incremental Expenditures
Utah County	\$1,561,112	\$129,409	-	-	\$1,690,521
Alpine School District	13,518,614	258,128	-	-	13,776,741
Eagle Mountain City	1,277,703	199,426	241,579	30,748	1,749,456

Unified Fire Service Area – Salt Lake County	3,117,500	1,332,728	-	-	4,450,228
Total Expenditures	\$20,419,625	\$1,949,396	\$241,579	\$30,748	\$22,641,348

The total net benefit to the taxing entities of participating in the Project Area is \$10,568,193 with the City's net benefit being \$1,857,272².

² The net benefit does not include the \$2,041,692 housing portion of tax increment that will be reinvested into the City.
