

AGENDA ITEM II-A

MAYOR REPRESENTATIVE

"The Mayor representing each county shall be chosen in the following manner. During the Association of Governments first year of operation, the respective county commissions shall determine who the representative from their towns and cities shall be. In the following years the cities and towns in each county shall determine who their representative shall be. Should the cities and towns within a particular county fail to choose a representative, the county commission shall choose the city and town representative."
