Conducting:	Steve Anderson, Mayor

1. Discussion and Action Items a. Chief Seth Hendrickson, Gunnison Valley Police Department- Request for contribution and Memorandum of Understanding with regards to a School Resource Officer b. Flood mitigation discussion	Chief Hendrickson with Gunnison Valley Police Department described the school resource officer was set up in 2008 and between the Sanpete Sheriff's Department and the GVPD they re-negotiated since the memorandum of understanding expired in 2018. He requested funds be allocated towards the SRO and presented a breakout which showed 127 students from Mayfield and a charge of \$43.27/per student for a total of \$5,495.29. In the past it has been roughly around \$2,000 annually. They would take into consideration the 3 months there is no school. Chief Hendrickson would like to see a Memorandum of Understanding that is re-negotiable every 5 years. This matter will be put on a future agenda for approval when the memorandum is complete with the financial information. Mayor continued the meeting by discussing flood mitigation. He described the flood of 1983 and presented photos of that. Councilman Bennett explained that the Town had attended a meeting with the Sanpete County Emergency Management. They expressed the need to educate residents about not bombarding the 911 emergency lines unless it's a life threatening emergency but to go through Jake Nielson our emergency director and then he will go through the County Emergency Management. Funds are available to help with mitigation but everything has to be documented. Those in attendance are asked to provide the information to the Town so we can turn it into the County. The Mayor also educated residents about not needing a permit to cut vegetation along the banks, and to leave the root system. However, a permit is needed to change the creek flow. The Town asks owners to make sure the creek is flowing freely along their

c. Richard Peterson- discussion of a home at 806 E. Canyon Road d. Jack Wilber-proposal for a conditional use permit at 111 E. 500 N.	portions of property and if they need help to ask. Vance Taylor asked for help to keep the bank from eroding to which he was informed that the Town can't legally advise on what to do with that. The Town has secured sand for sandbagging and plans were made to fill sandbags Tuesday April 18th @ 5:00 pm after which residents needing them could take what they need. Que Miller asked about if the culinary lines would be ok in a flood event. Garrick replied that the upper and lower 12 mile springs for the culinary water system are being monitored and Garrick stated if flooding occurs he will turn them out and stated we can rely on our other springs and wells. Doug Willden said the upper end will be alright as long as no rock comes with the flow. Where the canal is on top of the old canal there are steep banks that he suggested the Town needs to get with the state and change alignment of the creek along there. The Council reiterated to those present, reach out and ask for help if they need it. The Mayor thanked the residents for their participation and the majority left the meeting. Richard Peterson was present and asked the Town if there was any problem with him moving a modular home onto 806 East Canyon Road for a rental property. After Mr. Peterson explained his plan and the Council did not see a problem with it provided all zoning requirements were met. Jack Wilber was present and requested a temporary conditional use permit to allow him to proceed with construction of his new home at 111 East 500 North. After discussion a motion was made to approve his zoning permit request agreeing to abide by the final decisions of the Town Council when ordinance issues are worked out, including splitting of his existing lot if required and paying impound fees and water connection fee if required. The Mayor stated we have been working on a Town logo and have a couple options to look at. John Glauser with Mayfield Lions Club was present and stated he was having shirts and hats made for the 24th of July celebration with the logo the Lions Club had done and asked if the office would be willing to sell some. Travis Good, concerned citizen, was present and expressed concern about fertilizing.	Motion: Mike Second: Jaden Vote: Unanimous "Aye"
2. Council Business a. Review and approval of Claims-Invoice Register from 03/30/23-04/12/23	Invoices from the register dated 03/30/23-04/12/23 were reviewed. A motion was made to approve payment of those invoices.	Motion: Mike Second: Jake Roll Call Vote: Unanimous "Aye"

b. Review and approval of Minutes- Regular meeting 03/29/23	Minutes from March's regular meeting were reviewed. A motion to approve them with no changes was made.	Motion: Mike Second: Jaden Vote: Unanimous "Aye"
3. Mayor/Council Member/Department/Committee Reports a. Department Maintenance and Upgrade lists. b. Upcoming Calendar Items- i. Town Cleanup- April 17-24, 2023 ii. Dog Clinic-April 29, 2023 c. Mayor i. Ordinance notification to the residents	Garrick updated the Council on the water improvement project. The Lower 12 is running at around 90 gpm right now, the other springs are doing good. He turned out the Order Canyon Spring because it jumped from 5 gpm to 45 gpm quickly which indicates it may be influenced. The Town clean up is scheduled this upcoming week and signage will be placed at the dumpsters that will be delivered to the park, to remind residents of what can go in it. Ordinance notification to residents was not discussed.	
4. Unfinished Business	There were 8 treasurer job applications; they were scheduled for review on April 17th by the Mayor and the Clerk, and interviews were scheduled for April 20th.	
5. Adjourn	Motion to adjourn was made at 9:25 pm.	Motion: Jaden Second: Mike Vote: Unanimous "Aye"
